Dear Sir/Madam,

Re Housing, Hillmeir Ave

We are writing to object to the houses being build on the green area above our house.

- ① When we moved in 45 years ago we were told no houses could be built on that bit of land (by a councillor due to mining.)
- ② 15 years ago that land was surveyed again.

③ There is only one road into Willow Ave Place no more room for parking.

④ When the shows were in that bit of land, they had to be towed out of the mud.

⑤ Trees were planted to soak up the water as it flooded.

⑥ If houses were built there they are right up against a car rental & pallet place.

We await to hear your decision on this matter

Yours faithfully
