Dear Miss M'Carthy,

I am writing to OBJECT to  
the proposed development plans for Residential Housing  
on [REDACTED].

Why was it called [REDACTED]? - Because it has a  
view. Why waste the Greenbelt of [REDACTED] to build  
45 houses when there must be other areas of land  
that can be used.

It's taken 4 years to develop the trees (35) & surroundings  
and has given me many hours of pleasure watching the  
wild life from my window.

[REDACTED] leads to a cul-de-sac and there is

only the one road in/out.

45 houses means at least 45 cars on the road

They will need parking space.

The road in winter gets so muddy - + Boggy

please advise

Lynne Michalek
