Wp of the above address  
would like to register a  
complaint against the  
building of 125 houses at  
the side of [redacted]  
and in front of Hillview  
as you would be taking  
away our views of Biff's  
Seat and it is hard enough  
just now getting out of  
Hogar Square in the car  
without adding more  
traffic as its like a  
crossroad and there  
has been many  
accidents with cars

and it's also on a  
bus route

Thank you
