

7 OCT 2011

Dear Mr/S June M^cQuerty

Ref: [redacted]

Protest against proposal to build up to
45 rented houses opposite Hillview area
at Stewartfield Park, BROXBURN

- 1) The buildings will be too close to Hillview houses, blotting out their light. It is supposed to be a "green area".
 - 2) According to local historians, ground around Broxburn area is undermined and so not suitable for the building of houses.
 - 3) Pollution would be caused by this building - lorries going up & down either side to Main St, The road is restricted to 20 mph PH, maximum speed, because of speed bumps, and regular bus service.
 - 4) Many of the beautiful trees nearby would have to be chopped down.
 - 5) The area is also a popular one for many dog walkers.
- Yours sincerely
