Subject: Bents proposed planning letter

Hi there I am emailing in response to a letter I received noting proposed development site in bents (H-SB 4) This area was previously high rise flats that were a complete eyesore

Being a home owner in this area which is now very peaceful after the said flats were demolished I would like to know what type of plans are being proposed ie houses/flats etc And on a more serious note who will be moving into these proposed developments as we have just got rid of several loud inconsiderate neighbours(jobless / homeless etc) (I can go into detail if you wish) etc when these flats were removed

As this is a real family orientated area I wouldn't like to think these sort of tenants would return if any proposed developments go through as I for one will make a strong stand on this matter

Kind Regards in advance and I will await a reply from you on this matter
