**Subject:** E-BG 3

Hi,

I received a letter on Friday in regards to a proposed local development plan at the [REDACTED], site E-BG 3.

I have had a look on the west Lothian planning site but I am unable to find the plans for any proposed building etc and their proximity to my house.

Could you please provide me with a link to the plans or email them to me directly?

I would appreciate any help you could give me in this matter.

Regards

John Green
