Subject: Fw: objection to planning

On Sunday, 18 October 2015, 12:29, Kathleen Halliday <kwhalliday@yahoo.co.uk> wrote:

with regard to the council wanting to build houses at hillview avenue broxburn, proposed site H-BU 12 i would to like to object to this proposal. i stay in [REDACTED], and would prefer to still have the green area in front of me. this area is well used with children, dog walkers, and people going to work at the industrial site. most of the houses facing this green area are pensioners, and would prefer to stay this way.

regards
kathleen halliday
