Subject: Longridge football park, West lothian

To whom it may concern

I am contacting yourselves today regarding the football park in Longridge, West lothian (previously community centre) and the agreement between West lothian council and my father [REDACTED] that was made when the land was sold to west lothian council.

It has come to my attention that West lothian council have now made plans to build houses on this land. When the agreement was made it was sold at a reduced rate with the understanding and in agreement signed by my father and west lothian council that the land was to stay the communities and was not to be used at any time for commercial or builds. I now believe that West lothian council are in breach of this contract as they intend to build on it. My father's details are [REDACTED] [REDACTED], my father has sadly passed away now and I am dealing with this on his behalf as it was never his wish for the land to be used in this way that is why it was put down in writing and signed by both my father and a member of West lothian council at the time. I am now going to get legal advice and representation for this matter as West lothian council are now clearly in breach of this contract.

If someone from the relevant department could contact me to discuss this further that would be great, my contact details are at the top of this email.

Without prejudice

Mr Alexander Smith Jr
