

Bathgate East and Marchwood Tenants and Residents Association with Councillor Harry Cartmill would like to make you aware that the Local Development Plan - the West Lothian Development 'Bible' is now in the final public consultation stage.

It has come to our attention the open grassland, beloved by dog walkers and many local people to the immediate west of Napier Avenue has been zoned for around 15 houses despite the fact that local residents have twice before come together to defeat plans for such a development.

Please have your say! Contact West Lothian Council to reject this development of our local green space, which will result in further traffic congestion on Crosshill Drive, Kirk Road and beyond.

Contact Councillor Harry Cartmill with any questions you may have at [redacted] or on mobile No. [redacted]
