# Petition. H-WBZ.

I, the undersigned, object to site H-WBZ being allocated for housing for the following reasons, which are explained fully in the attached:

- loss of well used grassed area for kids to play on
- loss of attractive area of landscaping which contributes to the look and feel of the area,
- Increase in traffic and demand for parking which will endanger vulnerable pedestrians of school going age who are encouraged to walk and cycle to school,
- Loss of school playing fields which will reduce the range of outdoor activities the school can put on,
