

we, the undersigned strongly object to the housing development planned for the public space east of Academy Place Bathgate - LP Ref - HBg 24 for the following reason:-

This open grassland is an integral part of the area and is used by many local residents, for children to play in, dog walkers and those can enjoy this open space and this would be lost if a development goes ahead. It would also increase the traffic and in turn increase the risk to young children who play in the area. This increase in traffic would also destroy the peace and tranquilly current enjoyed by the local residents.
