Dear Sir/Madam

Reference: H-LV 3, Murieston South (8), Taret Drive

As owners of a residential property that directly overlooks the tract of land referred to above, we wish to register our formal objection to any decision that may be taken by the council to develop the area which we believe will impact adversely on the surrounding natural environment, not to mention constituting an invasion of our privacy as existing home-owners.

We strongly contend that the land should be de-zoned for the purposes of any future development.

Yours faithfully,

Fraser A Mackenzie
