

~~1~~we, the undersigned strongly object to the housing development planned for Napier Avenue, Bathgate - LP Ref - HBg 24 for the following reason:-

1) Will add to existing traffic / speed / congestion problems on Kirk Road junction with Crosshill Drive, St. Mary's Place.

2) Removing this dog walking area will add to dog fouling in a small area behind Kirk Road which is already in a filthy state due to dog fouling not being picked up
