Subject: LP ref - HBg 24 development plans for Napier Avenue
Date: 21 November 2015 11:03:50

FAO Harry Cartmill

We the undersigned strongly object to the housing development planned for Napier Avenue, Bathgate - LP Ref - HBg 24 for the following reason: -

This will reduce the already limited green space around the area. We actively use this space to walk our dog and for our daughter to exercise and play in. Additionally we have strong concerns regarding the increased traffic during construction and afterwards.
