Dear Sir/Madam,

I am making this submission as an individual representing my own views. This is my first representation on the Proposed Plan.

As a resident of Linlithgow, close to the proposed development I have a good understanding of the location.

We have suffered flooding in this area recently, and I am worried about the flood risk to Braehead and Lower Deanburn due to additional building at the top of this steep site. I am also concerned that the change from protected landscape to housing is against S.E.S Policy, and will have a detrimental effect on Linlithgow

Regards,
Alan Douglas
