

*Have your say on the  
West Lothian Local Development Plan Proposed Plan  
Consultation Response Form*

West Lothian Council has published its *Proposed Plan* together with supporting documents including an *Environmental Report (SEA)*, *Habitats Regulation Appraisal*, *Strategic Flood Risk Assessment* and *Equalities & Human Rights Impact Assessment*. These can be viewed on the West Lothian Council website at <http://www.westlothian.gov.uk/proposedplan>

If you wish to make representations on the *Proposed Plan* or associated documents, you are encouraged to use the online consultation portal. It's quick and easy and will help us to process representations more efficiently, reducing the overall cost and environmental impact of the exercise.

If you need assistance with completing or submitting your representation online please call the Customer Service Centre (CSC) on 01506 280000. Please advise the Customer Service Centre that your enquiry relates specifically to the *Local Development Plan* and ask for it to be logged and directed to the Development Planning and Environment Team. Someone will contact you. Alternatively you can email us at [wlldp@westlothian.gov.uk](mailto:wlldp@westlothian.gov.uk) We will endeavour to respond as quickly as possible but in any event within three working days of receiving your enquiry.

It is important that all representations are submitted no later than midnight on Sunday 22 November 2015. Representations received after that time will not be considered.

Your comments should be concise, having regard to paragraph 84 of Scottish Government Circular 6/2013: Development Planning which states that representations should be no more than 2,000 words plus any limited supporting productions.

#### ***Data Protection Statement***

*Please be aware that when you make representations on the Proposed Plan through the consultation portal (and/or in a conventional written format) personal information provided as part of a representation cannot be treated as confidential. Representations require to be made available online and for public inspection at the council's office (this would include your name and postal address but would exclude any information which would be subject to the Data Protection Act 1998 i.e. signature, postal address, telephone number, email).*

*We are also required to pass these details to the Scottish Government's Directorate of Planning and Environmental Appeals (DPEA). This is because they may at a later date wish to invite you to an Examination of the Proposed Plan to discuss your representation. Before using the consultation portal you should also note that any information posted may be subject to disclosure under the Freedom of Information (Scotland) Act 2002. West Lothian Council will not be liable for any loss or damage arising from or in connection with the disclosure of any information including the disclosure of user generated content.*

## **FOREWORD** (page 4)

This introduction by the Leader of the Council establishes the role of the LDP and how it will help deliver the council's core objectives.

## **BACKGROUND** (page 6, paragraphs 1.1-1.5)

Provides a brief historical context to the economic development of West Lothian which helps explain how settlements established and have developed.

## **CONTEXT** (page 7, paragraphs 2.1-2.2)

Provides wider context for the LDP in geographic terms and explains how the LDP fits with the Strategic Development Plan (SDP1).

## **ROLE AND PURPOSE OF PLAN** (page 7, paragraphs 3.1-3.5)

Establishes the role and purpose of the LDP in terms of its being a material consideration in the determination of any planning applications for development in West Lothian and, when adopted by the council, will replace the West Lothian Local Plan. It also sets out what documents the plan must comply with i.e. the Planning etc (Scotland) Act 2006 and what documents will accompany the plan i.e. the Action Programme etc.

## **VISION STATEMENT AND AIMS** (page 8, paragraphs 4.1-4.3)

Establishes the vision for the LDP in terms of outcomes desired over the plan period and identifies the key aims of the plan by individual subject areas i.e. Economic Development & Growth, Community Regeneration, Sustainable Housing Locations, Infrastructure Requirements and Delivery, Town Centres and Retailing, the Natural and Historic Environment, Climate Change and Renewable Energy and Waste and Minerals.

## **THE SPATIAL STRATEGY (INCLUDING POLICY FRAMEWORK)** (page 10, paragraphs 5.1-5.10)

In the context of the Strategic Development Plan (SDP), the LDP identifies West Lothian as being one of thirteen Strategic Development Areas where development will be focused in sustainable locations where infrastructure is either available or can be provided and in locations where there are no environmental constraints.

- **Economic Development and Growth** (page 12, paragraphs 5.11-5.22 )
- **Flexibility within traditional industrial estates** (page 14, paragraphs 5.24-5.25)
- **Enterprise Areas** (page 17, paragraphs 5.24-5.25)
- **Local business opportunities, small business start-ups and working from home** (page 17, paragraph 5.26)
- **Tourism** (page 17, paragraphs 5.27-5.28)
- **Promoting community regeneration** (page 19, paragraphs 5.29-5.35)
- **Housing land requirements for the LDP** (page 20, paragraphs 5.36-5.49)
- **Effective Housing Land and Generous Supply** (page 23, paragraphs 5.50-5.53)
- **New Housing Sites and Design** (page 24, paragraphs 5.4-5.56)
- **Strategic Allocations (including previously identified Core Development Area Allocations)** (page 25, paragraphs 5.57-5.61)
- **Whitburn/Charette** (page 26, paragraph 5.62)
- **Linlithgow and Linlithgow Bridge** (page 26-27)
- **Deans South, Livingston; Area for Comprehensive Re-development** (page 27, paragraph 5.68)
- **Affordable Housing** (page 27, paragraphs 5.69-5.74)
- **Accommodation for Gypsies, Travellers and Travelling Show People** (page 29, paragraph 5.75)
- **Residential Care and Supported Accommodation** (page 29, paragraphs 5.76-5.77)

## APPENDICES (page 99)

A number of appendices are included at the end of the LDP which provides additional detail on specific elements of the Proposed Plan.

- **Appendix 1 – Employment Land Allocations** (page 99)
- **Appendix 2 – Schedule of Housing Sites / Site Delivery Requirements** (page 119)
- **Appendix 3 – Schedule of Land Ownership** (page 259)
- **Appendix 4 – LDP Supplementary Guidance (SG) and Planning Guidance (PG)** (page 265)
- **Appendix 5 – List of Policies** (page 273)
- **Appendix 6 – List of Proposals** (page 275)

## **GLOSSARY (page 280)**

An explanation of unfamiliar terms or expressions used in the LDP is provided to assist understanding of the document.

## **PROPOSALS MAPS**

The LDP comprises a series of five maps which define settlement boundaries and illustrate land use zonings.

## **ACCOMPANYING DOCUMENTS**

Alongside the LDP is a suite of documents which are required by statute as part of the preparation and supporting evidence for the LDP.

- **Strategic Environmental Assessment (SEA) Environmental Report.**
- **Equalities & Human Rights Impact Assessment (EQHRIA).**
- **Strategic Flood Risk Assessment (SFRA).**
- **Habitats Regulations Appraisal.**
- **Transport Appraisal (TA).**
- **Action Programme.**

## Wallace Land – Representations to Proposed Plan Summary of Representations

---

On behalf of our clients Wallace Land Investment & Management (Wallace Land) we object to a number of policies and proposals in the West Lothian Local Development Plan (LDP) Proposed Plan, as set out below. We also submit three additional sites for allocation in the LDP. These are as follows:

- Wellhead Farm, Murieston
- Pumpherston Farm
- Burghmuir, Linlithgow

A number of supporting documents are included with our representations. These are also detailed below.

### EOI/MIR submission references

We made submissions on behalf of Wallace Land in response to the West Lothian LDP Main Issues Report. The reference numbers are as listed below.

### The Spatial Strategy (including policy framework)

We object to Policy HOU1: *Allocated Housing Sites* and *Figure 5* of the Proposed Plan on the basis that the Council's proposed development strategy as set out in the LDP Proposed Plan does not comply with the requirements of SESplan or Scottish Ministers, as set out in SPP. The attached *Representation about Policy HOU 1: Allocated Housing Sites and Figure 5* sets out our justification in detail, based on the supporting *Assessment of the Housing Land Supply*.

The supporting *Assessment of the Housing Land Supply* demonstrates that the number of homes to be allocated in the LDP Proposed Plan is 5,568 homes for the period 2009 to 2019. The number of homes to be allocated in the LDP Proposed Plan for the period 2019 to 2024 is 4,459 homes. For the period 2024 to 2027, the Council is required to allocate land for 1,612 homes. Over the entire LDP plan period 2009 to 2027, the Council is required to allocate additional effective housing land with a capacity of 11,639 homes.

Taking account of the programming of proposed allocations set out in the LDP Proposed Plan, which is not agreed by Homes for Scotland, the additional allocations required in the Proposed Plan over and above the proposed allocations already identified in the LDP Proposed Plan is 4,072 homes for the period 2009 to 2019.

The further allocations required in the LDP Proposed Plan for the period 2019 to 2024 is 1,849 homes. For the period 2024 to 2027, the Council requires to allocate further land for 1,612 homes.

In total, additional housing land capable of becoming effective over the plan period from 2009 to 2027 is required to deliver 7,533 homes. The allocation of this scale of additional homes is necessary in order to ensure that the LDP Proposed Plan complies with the housing land requirement in full as required by SESplan.

It is apparent from our *Assessment* that there is still a significant and substantial shortfall in the housing land supply in the first plan period to 2019. This matter has been raised and agreed by Reporters in recent appeal decisions.

The Council's development strategy for the LDP Proposed Plan needs to focus on identifying sufficient effective housing land that can contribute to the effective housing land supply in the short term period to 2019, as well as its plan period to 2027.

The consequence of failing to make these additional allocations is that the Council will not be maintaining a 5 year effective housing land supply from the adoption of the LDP. This will mean that the housing land supply policies in the LDP will be considered out of date in accord with SPP paragraph 125. In these circumstances a presumption in favour of development that contributes to sustainable development will apply through the development management process as set out in SPP paragraphs 29 and 32 to 35.

Accordingly, more land should be allocated to ensure that the LDP accords with the requirements of SESplan and SPP. We recommend the inclusion of three additional sites to help ensure these requirements are met. These sites are detailed below.

We object to the other policies listed below on the basis that they do not allow for the maintenance of an effective housing land supply as required by SESplan and SPP and they include unreasonable demands on development that are contrary to the provisions of Circulars 4/1998 and 3/2012. Separate representations set out changes requested to each policy and the justification for these.

1. HOU1: *Allocated Housing Sites and Figure 5*
2. HOU 2: *Maintaining an Effective Housing Land Supply*
3. HOU 3: *Infill/Windfall Housing Development within Settlements*
4. HOU 4: *Windfall Housing Development in Linlithgow and Linlithgow Bridge*
5. HOU 8: *Healthcare and Community Facilities in New Housing Development*
6. INF 1: *Infrastructure Provision and Developer Obligations*
7. ENV 1: *Landscape character and special landscape areas*
8. ENV 2: *Housing development in the countryside*
9. ENV 4: *Loss of prime agricultural land*
10. ENV 7: *Countryside belts and settlement setting*
11. ENV 8: *Green Network*
12. ENV 11: *Protection of the water environment / coastline and riparian corridors*
13. ENV 18: *Protection of Local and National Nature Conservation Sites*
14. ENV 31: *Historic Battlefields: Battle of Linlithgow Bridge (1526)*
15. ENV 32: *Archaeology*
16. EMG 3: *Sustainable Drainage*

## **Development proposal by settlement**

We promote three development opportunities that should be allocated in whole or part to help ensure the LDP meets the Council's housing requirement, as required by SESplan and Scottish Ministers.

These are listed below:

1. Wellhead Farm, Murieston. This site is proposed for development in three phases for a total of 680 homes plus community hub. Each phase is standalone and the site can be allocated in one, two or all three phases together. The whole site can be built out over the 10-year LDP period.
2. Pumpherston Farm. This site is proposed for a mixed use development incorporating up to 1,230 homes, with community hub, including a new Primary School if required by the Council. Separate phases of development would be delivered in phases of 200-300 homes. This site can be allocated in whole or in part with the potential to deliver 670 homes in Phases 1 to 3 in the LDP period.
3. Burghmuir, Linlithgow. This site is proposed for a phased mixed use development for around 600 homes, new motorway slips, and community facilities including hotel, care home, health centre, and sports provision. The whole site can be built out over the 10-year LDP period. Phase A for around 200 homes is capable of coming forward independently.

A separate *Supporting Statement* has been submitted for each of these three sites. These explain each proposal and its environmental impacts. They provide an updated SEA Site Assessment for each site, taking account of mitigation to be delivered by the proposal. They demonstrate that each of the three sites has acceptable environmental impacts and compares favourably with sites allocated in the Proposed Plan. Each of the sites is suitable for allocation in the LDP. Public consultation for each site is described.

We object to the proposed housing allocations in Linlithgow as listed below on the basis of concerns over the effectiveness of the proposed allocations. This is in terms of a lack of primary school capacity; increased traffic impacts leading to more congestion and further deterioration in air quality. The Council has not proposed infrastructure solutions to deal with these matters which are programmed for delivery. The full justification for these objections is set out within our series of site-specific representations.

- H-LL 4 Land east of Manse Road
- H-LL 7 Clarendon House, 30 Manse Road
- H-LL 10 Clarendon Farm
- H-LL 11 Wilcoxholm Farm / Pilgrims Hill
- H-LL 12 Preston Farm

We also object to the proposed strategic employment allocation at Burghmuir in Linlithgow, reference P-43. This is on the basis that there is no market demand for the proposed use. Further, there is an existing site allocated for this use (E-LL 2) which is currently available for this type of development. It is recommended that the Council modifies the Proposed Plan by allocating land at Burghmuir, Linlithgow for the mixed use development promoted by Wallace Land. The supporting *Representation about Proposal P-43 Burghmuir* sets out the full justification for this objection.

**Site reference – E-BB2 – Inchmuir Road, Bathgate**  
**Representation to Proposed West Lothian Local Development Plan – November 2015**

---

This is an **objection** to the Proposed Plan.

We are proposing the addition of the site at Inchmuir Road to become part of the allocated residential development sites and therefore object to **Policy HOU1 and Appendix 2** in so much that the site at Inchmuir Road should be included as;

- ***Land at Inchmuir Road - capacity to deliver up to 70 homes within the plan period***

**In making this representation we are keen to highlight where development at Inchmuir Road would accord with other policies within the Proposed Plan;**

**HOU1** – change the Inchmuir Road site (E-BB2) and add it to Appendix 2 as an effective housing site. We have concerns over the over-reliance on a concentration of sites at Wester Inch, Whitburn Road and Standhill Farm.

This area of Bathgate is accounting for over 700 new homes within the plan period concentrating development activity in a localised geographic area, risking the development of a series of large similar looking neighbourhoods dominated by standard product.

Given this concentration of development, it is unlikely that the necessary number of new homes can be delivered during the plan period. The developers will respond to market demand and it is impossible that the requisite number of homes could be sold in a ‘single’ location over the defined plan period.

It would be more effective and credible for West Lothian Council to allocate additional sites in a variety of locations that would enable Bathgate to provide a genuine choice of locations, house types and different tenures options. Inchmuir Road would help achieve this mix.

Inchmuir Road would reflect the ongoing development on the opposite side of the A7066 (H-BA-2 – Meikle Lane) and offer new homes at a highly accessible location, situated adjacent to (and benefitting from the amenities of) The Cairn Hotel. The site has been allocated as an employment site for many years yet little interest has been shown in its development for the permitted uses.

**EMP1** – in seeking to change the preferred use of this site to residential, proposals must confirm with the criteria set out in Policy EMP1;

- *The allocation of the Inchmuir site will have no detrimental impact on the overall (or local) supply of employment land;*
- *The site has never been developed despite previous employment use allocations – there is no demand to develop the site for business/employment use;*
- *Residential use would be compatible with the neighbouring hotel use. To the west, sufficient existing landscaping/tree belt would be supplemented to ensure no detrimental impact on the residential use or neighbouring employment uses;*

**Site reference – E-BB2 – Inchmuir Road, Bathgate**

**Representation to Proposed West Lothian Local Development Plan – November 2015**

---

- *The loss of this site would not fragment a larger area of employment land;*
- *There would be no unacceptable traffic/transportation impacts; and*
- *The proposals would complement the neighbouring Cairn Hotel whilst providing affordable, attractive homes at an accessible location close to local amenities and employment.*

**HOU2** – as per the criteria set out in PAN2/2010, the site is effective.

**HOU3** – the site could be developed in accordance with the criteria laid out in HOU3, further emphasising the sites' credibility as an appropriate housing site within the settlement boundary.

**HOU5** - the landowner is happy to comply with West Lothian Council policies with regards to the provision of an appropriate level of affordable housing.

**Site Characteristics**

E-BB-2 covers approximately 6 acres and is located adjacent to the Cairn Hotel and the A7066 though accessed off Inchmuir Road. It is a generally flat, roughly rectangular and overgrown site that although allocated for business and employment uses for many years but has never been developed.

Immediately to the west is Genius Gluten Free, a light industrial use. There is a mature and substantial tree belt separating the two sites providing clear separation and enabling an alternative use to be considered at E-BB2. On the opposite side of Inchmuir Road (to the south) is a complex of light industrial/business units owned and operated by West Lothian Council. These would not conflict with a well-designed and landscaped residential development.

**Effectiveness**

In assessing likely or allocated housing sites, it is important to understand the likelihood that they will be developed and the potential constraints that may exist that could delay the development of these sites. Paragraph 55 in PAN 2/2010 outlines a set of criteria to test the effectiveness of a potential housing site. We have tested the Inchmuir Road site against these criteria:

- **Ownership** – *the site is under single ownership and can be developed in the short term;*
- **Contamination** - *the site has never been developed – the site is not contaminated;*
- **physical characteristic** – *the site is a regular size and flat – there are no physical constraints to development;*
- **deficit funding** – *no deficit funding would be required to develop the site for residential use;*
- **marketability** – *the site is of an appropriate size to be attractive to a developer and/or housebuilder. Bathgate continues to be an attractive location. The neighbouring hotel with*

*associated facilities is attractive to future residents and a compatible neighbouring use. Supplemented by existing landscape features and boundary treatment this is an attractive location to develop new homes;*

- **infrastructure** – *sufficient infrastructure exists and/or the landowner is happy to make appropriate contributions as necessary;*
- **land use** – *site E-BB-2 is currently allocated for employment uses. The site has never been developed, and no serious interest ever shown. It is adjacent to an existing and established hotel with existing treatments providing more than adequate screening to an adjacent employment use to the west. Light industrial/business uses to the south of the site would not conflict with a residential development.*

The deliverability of the site is considered to be a key advantage when compared to other housing allocations across West Lothian. The land is under the control of a willing landowner keen to help deliver the whole project. There are no obstacles to the delivery of development in the short term and the site could contribute to the initial 5-year land supply.
