Dear Sirs,

West Lothian New Allocation of Sites
Preston Farm - Site Reference H-LL 12

I wish to formally object to the above site allocation for the following reasons:

- a) Access constraints, both in terms of road capacity at Deanburn and the need for a secondary access.
- b) Non-car transport options to the town centre are likely to be limited by the distance.
- c) Education issues at Low Port Primary School.
- d) Development would result in unacceptable impact on the landscape environment.
- e) Flooding & drainage issues as a result of topography of the site and existing flooding Preston Burn / Mains Burn and the reservoir on site.
- f) Unnecessary loss of Prime Agricultural Land with other sites more suited for development in the Linlithgow area.

Yours sincerely,

J C Stewart
