

West Lothian Council

THE WEST LOTHIAN LOCAL DEVELOPMENT PLAN (LDP)

CONSULTATION RESPONSE PORTAL

Have Your Say on the Proposed Plan

Introduction

West Lothian Council has published its Proposed Plan together with supporting documents including an Environmental Report (SEA), Habitats Regulation Appraisal, Strategic Flood Risk Assessment and Equalities & Human Rights Impact Assessment. These can be viewed on the West Lothian Council website at www.westlothian.gov.uk/proposedplan.

If you wish to make representations on the Proposed Plan or associated documents you are encouraged to use this online consultation portal. It's quick and easy and will help us to process representations more efficiently, reducing the overall cost and environmental impact of the exercise.

You do not need to complete this questionnaire in a single visit. Just simply put your Survey Reference Number (CODE) in the top right corner of the screen to allow you to continue with your submission at a later date.

If you need assistance with completing or submitting your representation online please call the Customer Service Centre (CSC) on 01506 280000. Please advise the Customer Service Centre that your enquiry relates specifically to the Local Development Plan and ask for it to be logged and directed to the Development Plan and Environment Team. Someone will contact you. Alternatively you can email us at wlldp@westlothian.gov.uk We will endeavour to respond as quickly as possible but in any event within 3 working days of receiving your enquiry.

It is important that all representations are submitted no later than midnight on Sunday 22 November 2015. Representations received after that time will not be considered.

Your comments should be concise, having regard to paragraph 84 of Scottish Government Circular 6/2013: Development Planning which states that representations should be no more than 2,000 words plus any limited supporting productions.

Data Protection Statement

Please be aware that when you make representations on the Proposed Plan through the consultation portal (and/or in a conventional written format) personal information provided as part of a representation cannot be treated as confidential. Representations require to be made available online and for public inspection at the council's office (this would include your name but would exclude any information which would be subject to the Data Protection Act 1998 i.e. signature, postal address, telephone number, email).

We are also required to pass these details to the Scottish Government's Directorate of Planning and Environmental Appeals (DPEA). This is because they may at a later date wish to invite you to an Examination in Public of the Proposed Plan to discuss your representation.

Before using the consultation portal you should also note that any information posted may be subject to disclosure under the Freedom of Information (Scotland) Act 2002. West Lothian Council will not be liable for any loss or damage arising from or in connection with the disclosure of any information including the disclosure of user generated content.

Please indicate whether you are seeking a change to the Proposed Plan (i.e. your representation is an objection) or if your representation supports the Proposed Plan as written.

Dear Sir / Madam,

I have concerns regarding the West Lothian LDP, specifically in relation to H-LV, 3 M58 (Site name: Murieston South(8), Tarbert Drive). Further to those specific concerns which I will go into later I have an overriding concern regarding the capacity and safety of the A71 during peak times. Additional residential development in West Calder and Livingston (South) without serious investment of the road network will lead to grid-lock and deaths (particularly of cyclists) and I do not feel that these risks have been adequately addressed in the LDP.

3. BACKGROUND (page 6, paragraphs 1.1-1.5)

Provides a brief historical context to the economic development of West Lothian which helps explain how settlements established and have developed.

5. ROLE AND PURPOSE OF PLAN (page 7, paragraphs 3.1-3.5)

Establishes the role and purpose of the LDP in terms of its being a material consideration in the determination of any planning applications for development in West Lothian and, when adopted by the Council, will replace the West Lothian Local Plan. It also sets out what documents the plan must comply with i.e. the Planning etc (Scotland) Act 2006 and what documents will accompany the plan i.e. the Action Programme etc.

7. THE SPATIAL STRATEGY (INCLUDING POLICY FRAMEWORK) (page 10, paragraphs 5.1-5.10)

In the context of the Strategic Development Plan (SDP), the LDP identifies West Lothian as being one of thirteen Strategic Development Areas where development will be focused in sustainable locations where infrastructure is either available or can be provided and in locations where there are no environmental constraints.

Comment

Livingston
(page 90)

Objection to plan: I believe that S LV 3 should be designated as Openspace as it contributes to the woodland / ecological setting of the Murieston area. This land has significant ecological value and disturbance and loss of tree lines and grassland habitat would significant affect European protected species and species listed on the Scottish Biodiversity List (bats) and species of local importance (owls). There is no reference to the specific need ot assess the ecological significance of the site within the LDP which is a failing of the LDP. The LDP entry should make direct reference to the need for an ecological assessment, Species Protection Plans and Policy E1V21-c. Beyond the ecological impacts of developing the land, the impact on neighbouring property must be addressed but this will surely be included in any planning application. I don't believe that the local infrastructure (Water Tresatment Facilities and A71) can cope with the proposed additional housing in the LDP accross Livingston. I note that there is reference to a cycle path from Lizzie Bryce to Wilkieston (P110) and a Wilkieston bypass (P88). The LDP should stipulate that these upgrades, and improvements to the East Calder WWTW are a prerequisite for increased housing capacity in Murieston and Livingston South. The WWTW is already undercapacity with numerous spills into Murieston Water (regular terrible smell in the areas) and the A71 is a dangerous road during peak times. Finally, I strongly feel that there should be a condition in relation to H LV 2, 3 & 31 that development can only progress if improvements to the broadband speed is made. I live in Teviot Dr and can get 2MB speeds which is terrible. Murieston would also benefit from a gym / sports centre.

Wilkieston
(page 97)

I welcome the inclusion of a cycle path from Lizzie Bryce to Wilkieston (P110) and a Wilkieston bypass (P88) within the LDP. However, the LDP should be strengthened to state that these upgrades are a prerequisite for increased housing capacity in Murieston and Livingston South. The A71 is a dangerous road for all users. As a motorist, I am frustrated by the slow progress along the road. Wilkieston can not cope with the traffic volumes and the travel times into Edinburgh are to suffisicient to support economic development in West Lithian. Furthermore cyclists using the A71 are at significant risk of injury or death. With additional residential development leading to increased vehicular users these problems will be exacerbated. A cycle path, preferably linking to the Union Canal from Lizzie Bryce would be a huge step forward. A northern-bypass at Wilkieston would avoid the current bottleneck, allowing reduced travel times.

9. APPENDICES (page 99)

A number of appendices are included at the end of the LDP which provides additional detail on specific elements of the Proposed Plan.
