Your comments should be concise and limited to no more than 2,000 words. You should fully explain the issues you wish to be considered when the Proposed Plan is presented to Scottish Ministers for Examination. Please indicate whether you are seeking a change to the Proposed Plan (i.e. your representation is an objection) or if your representation supports the Proposed Plan as written.

Please accept this entry as my objection to the proposed development at - Development Site H-WB 17 ie the site west of Hiddry Castle.

I believe that this development will have a negative effect on an area that is currently a major asset to the people of Winchburgh, West Lothian, the people of Scotland and to visitors to Scotland.

The current area around Hiddry Castle, standing in its landscape, with the adjacent golf course its ancient trees and green open spaces is too valuable to our environment for development to be permitted.

The area is viewed by thousands of railway and canal users and is greatly appreciated as a wonderful green open space with the historic 'A' listed castle at its core.

The amazing relationship between golf course, castle, railway, canal and shale bings is and has been for many years a much discussed aspect of West Lothian.

I am sad that these proposals if approved, will detract from this important area.

I am particularly sad that such encroachment towards Hiddry Castle is being considered.

Please do not allow this particular development to be approved.

3. BACKGROUND (page 6, paragraphs 1.1-1.5)

Provides a brief historical context to the economic development of West Lothian which helps explain how settlements established and have developed.

Winchburgh
(page 97)

Please accept this entry as my objection to the proposed development at - Development Site H-WB 17 ie the site west of Hiddry Castle. I believe that this development will have a negative effect on an area that is currently a major asset to the people of Winchburgh, West Lothian, the people of Scotland and to visitors to Scotland. The current area around Hiddry Castle, standing in its landscape, with the adjacent golf course its ancient trees and green open spaces is too valuable to our environment for development to be permitted. The area is viewed by thousands of railway and canal users and is greatly appreciated as a wonderful green open space with the historic 'A' listed castle at its core. The amazing relationship between golf course, castle, railway, canal and shale bings is and has been for many years a much discussed aspect of West Lothian. I am sad that these proposals if approved, will detract from this important area. I am particularly sad that such encroachment towards Hiddry Castle is being considered. Please do not allow this particular development to be approved.
