THE WEST LOTHIAN LOCAL DEVELOPMENT PLAN (LDP)

CONSULTATION RESPONSE PORTAL

Have Your Say on the Proposed Plan

Introduction

West Lothian Council has published its Proposed Plan together with supporting documents including an Environmental Report (SEA), Habitats Regulation Appraisal, Strategic Flood Risk Assessment and Equalities & Human Rights Impact Assessment. These can be viewed on the West Lothian Council website at www.westlothian.gov.uk/proposedplan.

If you wish to make representations on the Proposed Plan or associated documents you are encouraged to use this online consultation portal. It's quick and easy and will help us to process representations more efficiently, reducing the overall cost and environmental impact of the exercise.

You do not need to complete this questionnaire in a single visit. Just simply put your Survey Reference Number (CODE) in the top right corner of the screen to allow you to continue with your submission at a later date.

If you need assistance with completing or submitting your representation online please call the Customer Service Centre (CSC) on 01506 280000. Please advise the Customer Service Centre that your enquiry relates specifically to the Local Development Plan and ask for it to be logged and directed to the Development Plan and Environment Team. Someone will contact you. Alternatively you can email us at wdldp@westlothian.gov.uk We will endeavour to respond as quickly as possible but in any event within 3 working days of receiving your enquiry.

It is important that all representations are submitted no later than midnight on Sunday 22 November 2015. Representations received after that time will not be considered.

Your comments should be concise, having regard to paragraph 84 of Scottish Government Circular 6/2013: Development Planning which states that representations should be no more than 2,000 words plus any limited supporting productions.

Data Protection Statement

Please be aware that when you make representations on the Proposed Plan through the consultation portal (and/or in a conventional written format) personal information provided as part of a representation cannot be treated as confidential. Representations require to be made available online and for public inspection at the council's office (this would include your name but would exclude any information which would be subject to the Data Protection Act 1998 i.e. signature, postal address, telephone number, email).

We are also required to pass these details to the Scottish Government's Directorate of Planning and Environmental Appeals (DPEA). This is because they may at a later date wish to invite you to an Examination in Public of the Proposed Plan to discuss your representation.

Before using the consultation portal you should also note that any information posted may be subject to disclosure under the Freedom of Information (Scotland) Act 2002. West Lothian Council will not be liable for any loss or damage arising from or in connection with the disclosure of any information including the disclosure of user generated content.
