ONLINE FEEDBACK PROVIDED	Date received: 2nd April 2025 Total cost of work: £1500 Description of work: Full plastering of living room including a newly constructed media wall. Comments: Ricky showed up at the agreed time to give me an estimate, and took the time to understand what I wanted and the timeframe that I had in mind. On the agreed day, Ricky showed up promptly but he encountered problems with one of the walls that involved a lot of extra work on his part for only a small increase in price. Ricky finished the job on the third visit and his workmanship is impeccable. The walls are extremely smooth and ready for paint with no additional work required.
