## Visitor Centre Opening Times

**Summer** 09:00 - 19:00

**Winter** 10:00 - 16:00

Scottish Outdoor Access Code: "You have the right to access providing you act responsibly"

At Beecraigs this means:

**Be Aware** - Be alert and respectful to other users. Keep your dog under control. Know who has right of way on which paths. In places, the MTB Red Route is solely for cyclists: please follow signs and alternative routes provided.

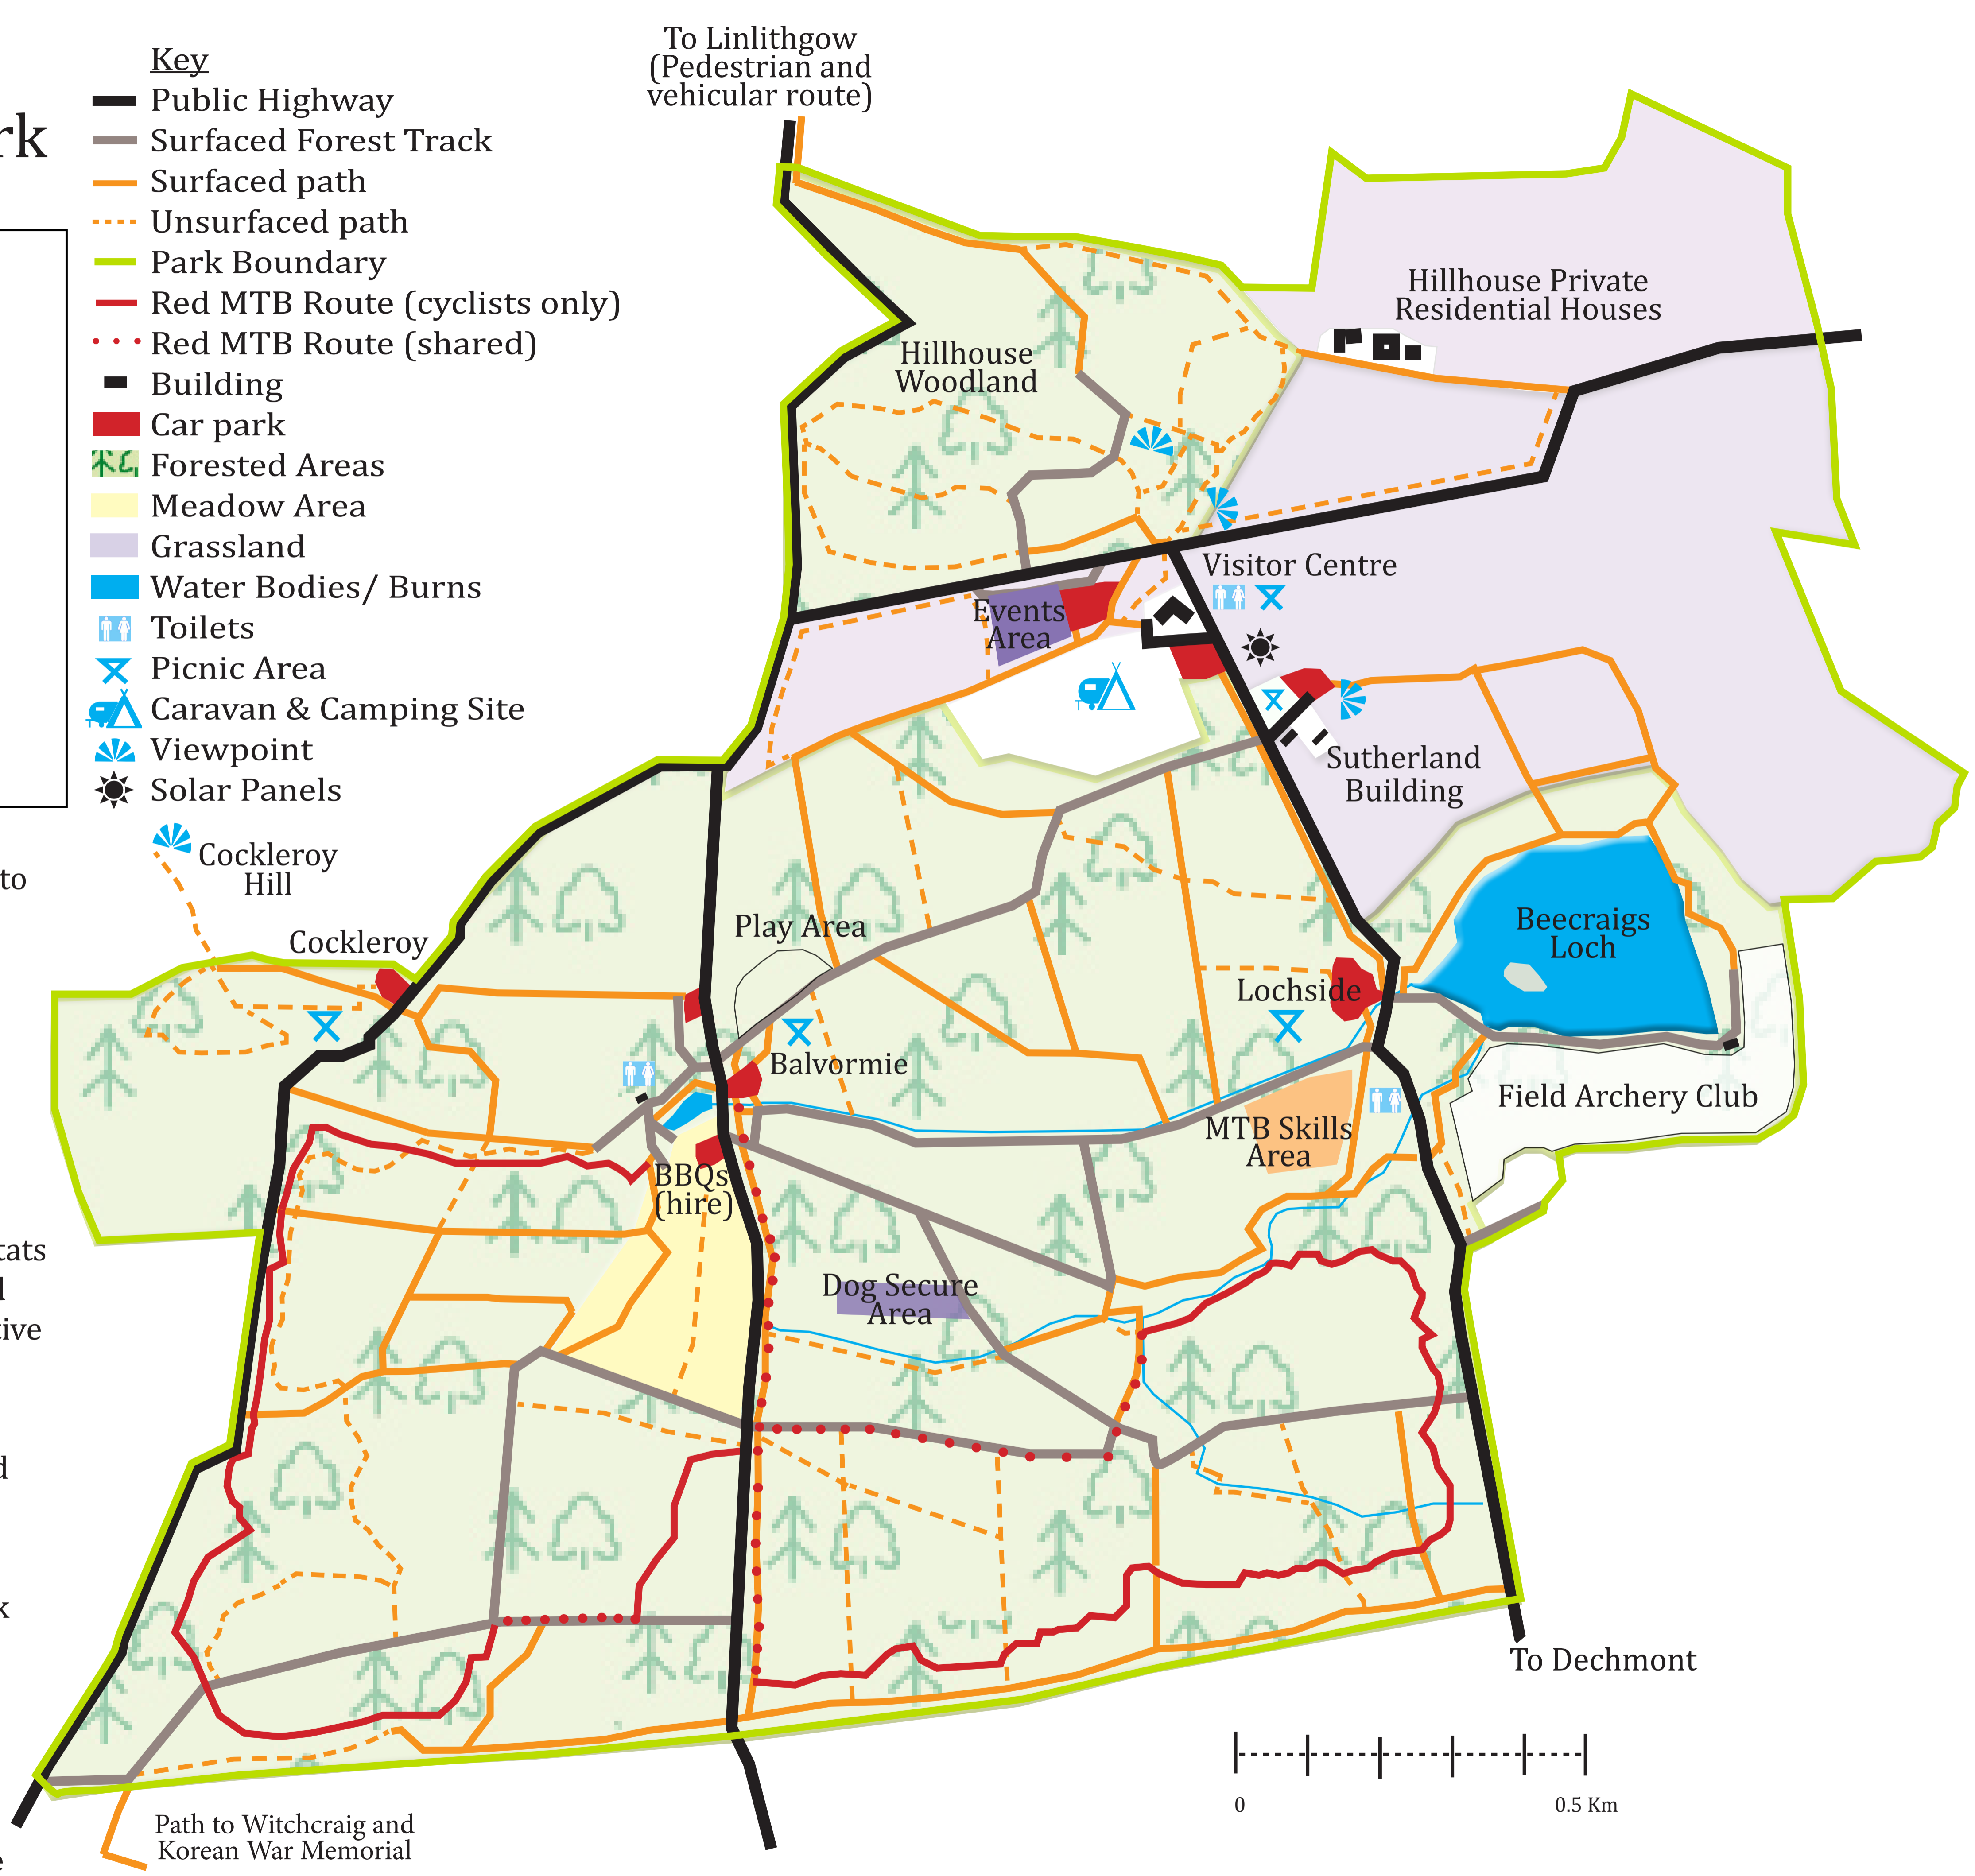

**Environment** - Avoid causing damage to habitats by sticking to paths and tracks where possible. Avoid churning up wet and boggy ground by using alternative routes.

**Wildlife** - Take care not to disturb wildlife or damage vegetation. Keep your dog under control and don't let them chase/worry animals.

**Farmland** - Be aware when entering farmland. Don't allow dogs to approach, bark or chase livestock even through fences.

**Animal Poo** - Pick up after your dog no matter where it poops. You can put your bagged poo in any litter bin. Horse riders should kick dung off busy paths.

- Key**
- Public Highway
  - Surfaced Forest Track
  - Surfaced path
  - Unsurfaced path
  - Park Boundary
  - Red MTB Route (cyclists only)
  - Red MTB Route (shared)

# Beecraigs Country Park Waymarked Routes

Where possible the routes create a loop and can be followed in either a clockwise or anti-clockwise direction. There are posts with coloured discs with directional arrows on them for you to follow.

The routes are a mixture of surfaced and unsurfaced paths and are marked as follows:

-  Surfaced
-  Unsurfaced

The Purple is the most difficult route as the majority of it is unsurfaced and can be very muddy in places. It has steep inclines and sections of boardwalk. Although the Orange route is the longest it is the easiest with the majority of it surfaced.

The waymarked routes are multi user and can be used by walkers, horse riders and people on bikes. Scottish Outdoor Access Code applies and users should be aware that not all parts of the routes are suitable for all user groups.

 Cyclists - These routes are not Mountain Bike trails, slow down and give way to other users

 Horse Riders - no galloping in the Park and kick dung off paths

 Walkers - Allow space for other users to pass. Keep dogs under control and pick up after your dog wherever it poops

- Key**
-  Green Route 6.2 Km
  -  Orange Route 6.8 Km
