

An aerial architectural rendering of a large, modern school building. The building has a dark, gabled roof with several skylights. The exterior walls are dark with a series of vertical windows. The building is surrounded by green lawns, trees, and a parking lot with several cars. In the top right corner, the Morrison Construction logo is visible, featuring the company name and a red and white stylized leaf icon.

TRACK RECORD

Morrison
Construction

We are currently delivering

31 education projects

16 High Schools

3 Campus'

Simpson Primary School,
Bathgate

DELIVERY OBJECTIVES

The successful delivery of West Calder High School will be predicated on:

- Safe delivery
- Quality product
- Construction programme
- Effective stakeholder engagement
- Positive community impact

"The whole team were considerate of the fact they were working in a school environment and showed courtesy and respect to staff, pupils and within the local community."

Avril Wilson
Head Teacher (Windygoul Primary School)

"This has been one of, if not the best job quality I have ever seen. If all projects were like this, it would be fantastic"

Clerk of Works, West Lothian Council
(delivery of Pinewood School)

PROGRAMME DELIVERY

- Completion Jul 18

COMMUNITY ENGAGEMENT

Morrison
Construction

Simpson Primary School

COMMUNITY ENGAGEMENT

Our commitment to positive engagement and delivering community benefits is something we place a high priority on and is already evident through our delivery of bridge project, where we have:

- Provided a summer placement for a local engineering student
- Provided week long work placement for a local Quantity Surveying student
- Delivered talks on engineering careers at West Lothian College
- Undertaken site visits for West Calder High School geology students
- Provided permanent employment opportunity for local unemployed person

We will continue in this manner in the delivery of the main High School and have clear, measurable targets covering

- Local employment
- College and University apprenticeships and site visits

QUESTIONS & ANSWERS

Morrison
Construction

An aerial photograph of a city landscape, featuring a complex highway interchange with multiple overpasses and ramps. The surrounding area includes residential neighborhoods with houses and trees, as well as industrial zones with large warehouse-like buildings. The image is slightly desaturated, giving it a professional, muted appearance.
