

LIST OF ISSUES TO BE COVERED IN ALCOHOL MANAGEMENT PLANS

- Maximum number of persons to be at the event and if tickets are to be sold or persons can pay on entry.
- Information as to whether children and young persons will be in attendance at the event and if so a statement of steps being taken to uphold the licensing objective relating to children and young persons and an indication of how many attendees are likely to be aged under 18.
- Training of staff and numbers of staff who will be present.
- Stewarding arrangements including how many stewards will be volunteers and how many will be SIA licensed.
- Details of how outside drinking areas will be cordoned off.
- Any special arrangements for the operation of bars e.g. use of plastic glasses and restrictions on the purchase of alcohol.
- Details of how persons will be prevented from bringing alcohol into the event area and taking purchased alcohol out of the event area.
- First Aid arrangements including how many first aiders will be present.
