

ANNEX 11: Certificates from approved Cerifiers of Construction

Approved certifier of construction schemes can be found on the following webpage link : <http://www.sbsa.gov.uk/certification/CurrentSchemes.htm>

IMPORTANT PLEASE NOTE

1. From the 4 January 2009, when notice is given on the application for building warrant of the intention to provide a certificate from an approved certifier of construction to accompany the completion certificate submission, the applicant is entitled to a discount on the fee.
2. If the intention to provide a certificate from an approved certifier of construction is not declared on this form, this does not preclude a certificate subsequently being provided with the completion certificate submission.
3. Any person intending to use an approved certifier of construction should check the current status of known firms by using the Certification Register available at www.sbsa.gov.uk

NOTE: If after giving notice of intent to use a certifier of construction a certificate from an approved certifier is not provided with the completion certificate submission, the amount of fee discounted requires to be paid to the verifier and may delay the acceptance of the completion certificate by the verifier.

Please list the certification schemes for which you intend to use an approved certifier of construction and provide a certificate to accompany the completion certificate submission
