ONLINE FEEDBACK PROVIDED	Date received: 27 th March 2024			
	Total cost of work: £350			
	Description of work: Clearance and removal of old garden sheds and contents, rabbit hutch and non-functioning old garden equipment.			
	Comments: Quote request via WhatsApp was responded to promptly and courteously. Arrived at agreed day and time and was done within an hour! Very professional and pleasant to deal with. Compared to the cost of hiring a skip, the effort of loading it and needing to get help to do so, probably a full day's work at least, this was a bargain! I have no hesitation in recommending Your Junk and would happily use them again myself.
