

Learning Events Attended by Elected Members in 2021/22

The list includes Core Training and Ongoing Personal Development.

Members attended topics relevant to their role and individual learning requirements.

Elected Member Development Group, comprising of the Business Support Managers, Governance Manager and HR Learning and Development meets quarterly to plan Elected Member learning and development.

Elected Members are regularly consulted on topics for training sessions and the Elected Member Development intranet page is used to communicate opportunities and provide access to information and resources, as well as signposting relevant external sites.

The intranet site also provides a template for a Personal Development Plan for Elected Members.
