

# OUR IMPROVEMENT JOURNEY...

## ST THOMAS' WAY...

*small steps take you closer to your dreams*

We will look at...

**OUR ASSESSMENT STRATEGY** and how it can best inform us of every child's progress in their learning

We will look at...

Using data to influence planning enriched learning experiences

### OUR PRIORITY...

All children to develop skills and qualities that leads to raising attainment and achievements in literacy, numeracy and health & ...

We will look at...

Working with the families and children to create a profile that showcases the children's learning progress

We will look at...

Having all our classrooms inclusive to be learning environments for ALL needs within our school

We will look at...

Health & Wellbeing CURRICULUM and how we are tracking this
