SUPPLEMENTARY GUIDANCE

(SG) – PLANNING & EDUCATION

THE ENVIRONMENTAL ASSESSMENT (SCOTLAND) ACT 2005

SCREENING DETERMINATION UNDER SECTION 8(1)

West Lothian Council has determined on 26 February 2021, in consultation with Historic Environment Scotland, the Scottish Environment Protection Agency and NatureScot, that Supplementary Guidance 'Planning & Education' is unlikely to have significant environmental effects when considered in relation to the criteria set out under Schedule 2 of the Act. It has therefore been concluded that Strategic Environmental Assessment (SEA) is not required. No environmental report will be prepared alongside the Supplementary Guidance relating to 'Planning & Education'.

Copies of the screening determination and the reasons for this conclusion are contained within the Screening Report which can be viewed at www.westlothian.gov.uk
