

# Roll-a-Story

Roll a dice four times to find all the ingredients you need to create a story

1<sup>st</sup> roll = your story's character

2<sup>nd</sup> roll = your story's setting

3<sup>rd</sup> roll = your story's prop

4<sup>th</sup> roll = your story's problem/plot

Then use the table below to create a magical and fun story - Don't forget to give your story a name

If you roll	This is your Character	This is your Setting	This is your Prop	This is your Problem/Plot
	A grumpy bear	Inside a hidden cave	A secret door	Something is lost
	A 2 headed monster	At a farm	A magical key	Go on an adventure
	A handsome knight	In a hot desert	A cupcake	Found a magic penny
	A mischievous squirrel	In a dark forest	A cheese sandwich	Something breaks
	A sad panda	At a magical castle	A wand	There's a tornado
	An excited puppy	At the fun fair	An invisibility cloak	Go on a treasure hunt
