Report of the Trustees for the year ended 31 December 2020

The Trustees present their annual report and financial statements for St John's Church for the year ended 31 December 2020. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and activities

The purpose of St John's Church is to provide Christian services and pastoral care for its members and for the wider community of Linlithgow. We are a lively Christian church based in Linlithgow and made up of people from a variety of backgrounds and all ages.

Achievements and performance

As indicated in last year's report we have made structural changes and have changed to a SCIO in 2021 (see the Structure, Governance & Management section). Ross Morgan, Russell Shields, Andrew Clark and Heather Begarnie have joined the leadership team. Hazel Briton has stepped down from being an elder and a trustee. This has been a difficult year due to the restrictions placed on us by COVID-19. We met online for our church gathering on Sunday mornings but ran in person activities where restrictions allowed.

The new congregation in Bo'ness has been consolidated and is continuing to grow. We're working in partnership with St. Michael's to grow the church plant in the Springfield community of Linlithgow. Our children's ministry leader Lorraine Orr took up a new post with St. Michael's Church and was replaced by Briony Dick. The youth work has also undergone some staffing changes with sessional workers supporting Andy Clark whose role has expanded to help develop online services.

The Community Cafe, Men in Sheds and Sew Blessed have all developed as projects to bless the community.

The New Well was a project set up by St. John's to help meet the financial, mental health and housing needs in our community. It has now been set up as an independent charity.

As a church we want to see people flourish spiritually and physically through training opportunities. The Ignite 9 month discipleship course finished in May and has paused for the 2020/21 session due to the pandemic. In addition we have added learning streams, usually 6-8 week courses, exploring particular topics or Biblical books. This included 'The Prayer Course' and 'Theology 101'.

Our work and partnership with other local and national churches and charities continues to be effective and grow. This is evidenced by providing chaplaincy services for Linlithgow Rose FC, Bo'ness United FC, the Air Cadets and the Boys Brigade. Nationally we partner with the Evangelical Alliance, Scripture Union Scotland and the Scottish Network of Churches. We support Scripture Union groups in most local schools as well as their national activity centres. The Scottish Network partnership has proved particularly fruitful, enabling us to raise £17,800 in May to contribute to the building costs of a church and community centre in Possil Park, one of the most deprived areas of Glasgow.

Financial review

Results for the year

The Accounts for the year are set out on pages 5 to 13. The Statement of Financial Activities on page 5 shows a net surplus for the year of £33,397 (2019: deficit of £25,998) and at 31 December 2020 our total funds were £163,275 (2019: £129,878). The Trustees have considered the potential risks and uncertainties in relation to the financial position of the charity in relation to Covid-19. The key risk relates to a reduction in donation income, with ongoing costs not being able to be met whilst retaining compliance with our Reserves Policy. Some costs have been lower in the interim period, for example no rental of premises for church services, and the financial position of the charity will continue to be monitored closely with action taken as required.

The Church's funds totalled £163,275 at the end of the year and are divided between restricted funds (£26,061) and unrestricted funds (£137,214). The amounts held within each of the restricted funds and their purposes are disclosed in Note 11 of the accounts.

Reserves

The Trustees have established a Reserves Policy whereby the unrestricted funds not committed to, or invested in, fixed assets should not be less than three months of the resources expended. At this level the Trustees feel that they would be able to continue the current activities of the charity in the unlikely event of a significant drop in funding. If the funds dropped below this level it would be necessary to consider how income could be increased or, alternatively, how expenditure could be reduced.

At 31 December 2020 we had a surplus of £52,359 over and above this level taking into account planned levels of expenditure in 2021.

Structure, governance and management

During 2020 the trust was a registered charity in Scotland, and was constituted under a trust deed. As disclosed in the prior year Trustee Report, the charity was in the process of setting up a SCIO and transferring across the assets and liabilities. The new SCIO (St John's Church Linlithgow, charity number SC050351) was registered on 31 July 2020 and following approval from OSCR, the assets and liabilities were transferred across on 1st July 2021.

The charity continues to be overseen and managed by Trustees, Elders and a Ministry Leadership Team. Trustees have legal duties and are responsible for governance, finance and related matters. They are appointed by agreement with existing Trustees and Elders in accordance with the Trustee Policy. The key role of Elders is to hear from God and to cultivate the vision, values and ongoing theological position of the church, and they are appointed following a period of evaluation prior to ratification by church members. The Ministry Leadership Team is responsible for the day to day workings of the church, ensuring that the activities of the church are run effectively and in line with the overall vision and strategy agreed by the Elders and Trustees.

Statement of Trustees' Responsibilities

The Trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and UK Accounting Standards.

Charity law in Scotland requires the charity trustees to prepare financial statements for each year which show a true and fair view of the state of affairs of the charity and of the income and expenditure of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operational existence.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the charity's financial position and enable the Trustees to ensure that the financial statements comply with the Companies Act 2006 (as amended). The Trustees are also responsible for taking such steps as are reasonably open to them to safeguard the charity's assets and to prevent and detect fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information on the congregation's website.

Report of the Independent Examiner to the Trustees for the year ended 31 December 2020

I report on the accounts of the church for the period ended 31 December 2020 which are set out on pages 5 to 13.

Respective responsibilities of trustees and examiner

The Charity's Trustees are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The Charity's Trustees consider that the audit requirement of Regulation 10(1) (a) to (c) of the Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the Act and to state whether particular matters have come to my attention.

Basis of Independent Examiner's statement

My examination is carried out in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006 (as amended). An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's statement

In the course of my examination, no matter has come to my attention

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations (as amended), and
 - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations (as amended)

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the year ended 31 December 2020

1. Accounting policies

Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with FRS 102, and in compliance with the Charities SORP (FRS 102), the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended). The principal accounting policies adopted in the preparation of the financial statements are set out below.

St John's Church meets the definition of a public benefit entity under FRS 102.

Basis of financial statements

The financial statements have been prepared on an accruals basis. The Trustees consider that there are no material uncertainties so the accounts have been prepared on a going concern basis.

Income and debtors

All income including grants and donations are recognised when the Charity is legally entitled to the income, any performance conditions attached to the income have been met, it is probable that the income will be received and the amount can be measured reliably. Income tax recoverable in relation to donations received under Gift Aid is recognised at the time of the donation.

Interest on funds held on deposit is included when receivable.

Donated goods and services, principally the service of volunteers, have not been quantified for the purposes of the financial statements.

Debtors are valued at cost at the year-end and adjusted for any amounts considered to be irrecoverable.

Expenditure and creditors

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probably that settlement will be required, and the amount of the obligation can be measured reliably.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Creditors are valued at cost at the year-end and split between amounts due in less than one year and amounts due in more than one year.

Taxation

The Charity is exempt from Corporation Tax on its charitable activities and is not registered for VAT. Expenditure therefore includes any irrecoverable VAT.

Tangible fixed assets

All tangible fixed assets over £1,000 are capitalised and valued at historical cost. Depreciation is provided at the following percentages on a straight-line basis to write off the cost or initial value, less residual value, of tangible fixed assets over their estimated useful lives:

Fixtures & Fittings: 10%
Office Equipment: 20%
Computer Equipment: 33%

Pensions

The charity operates a defined contribution scheme. The amount charged to the Statement of Financial Activities in respect of pension costs is the contribution payable in the year.

Notes to the Financial Statements for the year ended 31 December 2020

1. Accounting policies (continued)

Funds

Funds are classified as either restricted funds or unrestricted funds, defined as follows:

Unrestricted funds comprise income received for the objects of the charity without further specified purpose and are available as general funds or are placed within designated funds which can be used for purposes in agreement with its charitable objectives.

Restricted funds comprise income which has been received for the objects of the charity and specified for a restricted purpose within these objects by the donor.

Transfers are made between funds where the church chooses to top up Restricted Funds from the General Fund, or where appropriate costs (e.g. staff and overhead costs) are apportioned to Restricted Funds to reflect support for the activities of these funds.

The church still owns and maintains the original church building (a listed property) on Union Road, Linlithgow, but it has been too small to use for Sunday morning services since the 1990's when the congregation increased. The historical cost of the building is unknown but it is insured at a replacement value of £1,000,000. A valuation was carried out in Mar 2021 which valued the building at approximately £95,000.
