## SECTION 1: INTRODUCTION TO DEVOLVED SCHOOL MANAGEMENT

### 1.1 The Objectives of DSM

The underlying objective of Devolved School Management is to enable decisions, relevant to the day to day management and provision of school education, to be made at local level. The Scheme of Devolved School Management provides the method of calculating how resources are allocated to schools on the basis of clearly defined allocation criteria.

Responsibility for determining how this budget will be allocated within the school however, rests with each Head Teacher, and the Scheme does not provide a prescriptive guide to how resources will be used within each school.

This approach will ensure that schools are resourced in a fair and consistent manner, whilst ensuring that Head Teachers are empowered to deploy resources in the manner best suited to meet the needs of the learners in their school.

The Finance Manuals will continue to evolve in light of national developments regarding the governance of education.

### 1.2 Devolved School Management Overview

Devolved School Management was introduced in 1993 to enhance and improve the management of resources at school level. The DSM guidance was reviewed in 2006, and again in 2012, taking account of the changing economic and financial climate for both Local Authorities and the Scottish Government. In June 2017 the Scottish Government consulted on changes to DSM as part of the wider "*Fair Funding to Achieve Excellence and Equity in Education*" consultation.

The updated DSM guidelines, published in summer 2019, seek to build and improve on the DSM Guidelines of 2012 and, critically, reflect and integrate with the Education Reform Programme and priorities emerging from the Scottish Government and COSLA Education Reform Joint Agreement of June 2018. These Guidelines can be found here <https://www.gov.scot/policies/schools/devolved-school-management/>.

The Guidelines have been devised to help Local Authorities develop their own Devolved School Management (DSM) schemes. The new Guidelines aim to encourage participation from Local Authority wider teams, schools and parents.

They have been prepared through collaboration and consultation with a wide range of stakeholders. Collaboration is key to a successful local DSM scheme and this is captured within the Joint Agreement and Headteachers' Charter to which these guidelines align and support.

### 1.3 Principles of Devolved School Management

The updated DSM principles, agreed by the Fair Funding Reference Group and building on and enhancing the foundations and principles of the 2012 guidance, are:

- Subsidiarity and Empowerment
- Collaboration
- Accountability and Responsibility
- Clarity and Equity

These principles reflect the National Improvement Framework aims of excellence through raising attainment and achieving equity. The principles also fully endorse those proposed in the Fair Funding consultation:

**DATA LABEL: INTERNAL – COUNCIL WIDE**

- **support excellence and equity** - ensuring every child and young person has the same opportunity to succeed
- **be fair** - placing the needs of all children and young people at the centre
- **be simple**, transparent and predictable – ensuring the costs of delivering education can be easily understood and explained and that schools are able to manage and plan ahead with certainty
- **deliver value for money** – ensuring that every penny spent is used effectively

## **SECTION 2: BUDGETS AND ACCOUNTING**

### **2.1 INTRODUCTION**

#### **2.1.1 Financial Year and Issue of Budget Statements**

The financial year runs from 1st April to 31st March and spans two academic years. Budget statements are issued to schools at the commencement of the financial year and updated at specific intervals to take account of changes within the academic year. A second statement is issued at the start of the academic year to confirm probationer allocations. A third statement is issued in autumn following the Scottish Government census. If there are any further funding movements, particularly in relation to learning support, schools will receive a final statement in January.

In line with the council's Financial Regulations all services, including schools, are required to submit financial forecasts at the end of month 2, 6 and 9 for reporting to the Council Executive. A further forecast is required early March from schools in relation to projected carry forward balances.

Following completion of the council's final accounts, carry forward figures are confirmed with schools prior to the summer holidays.

#### **2.1.2 Budget Statements and Pupil Rolls**

Within the secondary sector, budget allocations for April to July are based on actual school rolls per the previous September school census figures. August to March budgets are based on projected pupil numbers (based on information from Pupil Placement) until actual school rolls are confirmed following the Scottish Government census. A 1% tolerance is then applied to projected figures and if movements are greater than +/- 1%, adjustments are made to the August to March allocations falling out with the tolerance level.

#### **2.1.3 Expenditure Records**

Records of expenditure must be maintained in each school for all delegated budgets. Within schools the authority's financial ledger, CedAr e5, records all relevant income and expenditure items. This system is fully integrated with the e-Procurement system (PECOS) to enable the monitoring of committed expenditure (orders) as well as actual expenditure (invoices paid).

#### **2.1.4 Ad hoc Adjustments**

Ad hoc adjustments are agreed at the discretion of the Head of Service and are reviewed on an annual basis. All ad hoc adjustments signed off by the Head of Service are recorded on the ad hoc adjustment register.

#### **2.1.5 Budget Virement**

Head Teachers are permitted to divert monies between fully delegated budgets. Such budget transfers are known as virements. The Financial Management Unit will request details of such realignments and amend ledger budgets to reflect anticipated spending trends.

### **2.1.6 Staffing Performance Factor**

A staffing performance factor is deducted from a school's budget, which takes account of in-year savings that are achieved through turnover of staff, temporary vacancies and other short-term staff savings. The staffing performance factor will include teachers from the start of the 2024/25 academic year.

### **2.1.7 Carry Forward of Year-End Balances**

Under the DSM scheme, schools may carry forward over or under spends at the end of each financial year. The carry forward is calculated by determining the net expenditure position on all devolved budget headings as at 31<sup>st</sup> March and determined by the balances recorded in the authority's financial ledger.

The maximum under-spend that may be carried forward is set at 1% of all fully devolved budget headings. Any balance greater than the 1% threshold is not available to the school in the following year.

In special circumstances, Head of Service Approval can be sought to carry forward more than the 1% threshold.

School outturns will be monitored through the financial year of the Head of Service in line with budget monitoring guidelines.

Any overspend is carried forward in full and no maximum threshold is applied. Head Teachers are advised to avoid material overspends and to ensure that resources are managed effectively.

Schools may wish to use this carry forward not only for ongoing revenue expenditure but may also wish to save towards a longer term planned objective such as school refurbishment etc.

## 2.2 LINEAR MODEL ALLOCATIONS

### 2.2.1 Linear Model Allocations

A Linear Model is used to allocate the greater majority of resources to secondary establishments in respect of basic staffing budgets and miscellaneous supplies. Schools have local flexibility to determine how these resources are used in curriculum delivery.

The Linear Model is predominantly driven by pupil roll. Actual pupil rolls (in line with Scottish Government census figures) are utilised to calculate budget entitlement for the period for April to July. Projected rolls (based on information from Pupil Placement) are used to calculate entitlement for the period August to March. A 1% tolerance threshold is applied to projected figures and on publication of Scottish Government census figures, adjustments are made to budgets in accordance with the movement in roll over or under the stated threshold.

### 2.2.2 Indicative Management Allocation

All secondary schools will receive an indicative budget allocation to support their management structures. The budget allocation will follow the requirements of national conditions and salary scales and will be updated to reflect changes in these. Head Teachers may put in place an alternative management and/or staffing structure, but the cost of this alternative structure will not automatically be reflected in future years indicative budget allocations. Future years' indicative budget allocations will continue to be based on the standard indicative budget allocations to support management and the roll of the school. It is the responsibility of the Head Teacher to ensure that any decisions they take are financially sustainable.

The management allocation is only increased where the roll has been sustained for one year or more. When the pupil roll drops, there will be a transition period for one year and entitlement will be retained for that period only. Schools wishing to retain promoted staff posts after the transition period has lapsed will be required to self-finance these posts or promoted elements.

#### Fixed Element:

Pupil Roll	Post	HT	DHT	PTC
0 – 1,319	FTE	1.0	2.0	9.0
1,320 +	FTE	1.0	3.0	9.0

## 2.3 TEACHING STAFF

### 2.3.1 Staff Complement

Schools have flexibility within their available resources to determine their basic staffing complement. Although the Linear Model provides a mechanism for allocating budgets to schools, it is not prescriptive in determining the total teaching FTE or the promoted structure within the school. Schools have flexibility, within available resources, to determine the appropriate structure to meet the needs of pupils.

### 2.3.2 Class Contact Time

The maximum class contact time for a secondary class teacher is 22.5 hours.

### 2.3.3 Probationer Class Contact Time

In line with teachers' terms and conditions agreement, probationer teachers must have a maximum class contact time of 18.5 hours per week, equivalent to 0.82 of a full-time teacher. Probationers are determined as "core" where a school has a teaching vacancy, and requests and finances the post from within the school budget. Probationers are classified as "fully funded" where the authority receives additional grant funded probationers and allocates them to schools.

Each school, which has a core probationer, receives an additional allocation of 0.18 FTE for probationer non-class contact time and 0.1 FTE for mentoring. These allocations are based on a probationer's salary to reflect the actual costs charged to school for non-class contact time. The 0.82 FTE class contact time is met from within the school's teaching staff entitlement and the cost of the probationer's class contact time is charged to the school at the average salary of a teacher. Where a "pointage" vacancy exists in a school, the school may also request that a probationer be appointed and will receive additional top-up funding as appropriate.

Where a school is entitled to a 'fully funded' probationer, an additional allocation of 1.1 FTE, which includes 0.1 FTE for mentoring, is provided. This allocation is additional to the schools basic teaching staff complement and is directly funded by the Scottish Government at a probationer's salary scale point.

### 2.3.4 Chartered Teacher Costs

With effect from 21<sup>st</sup> August 2017 Schools fund the cost of Chartered Teacher from their devolved resources.

### 2.3.5 Classes for Pupils who Require Additional Support for Learning - Pupil Numbers and Additional Support for Learning Classes

The maximum number of pupils per teacher for individual special classes is outlined in the table below.

Class	Numbers
Autistic Spectrum Disorder	6
Communication & Language	6

## 2.4 TEACHERS ABSENCE COVER

### 2.4.1 Sickness Absence

Devolved funded absence cover is defined as up to and including the 20<sup>th</sup> working day of absence. This means a school will pick up the cost of cover for the first 20 working days of absence. Costs from day 21 of the absence become a cost funded from the non-devolved funded absence cover. Supply claim forms should be completed accurately to ensure cover costs are charged to the appropriate code. ABSM's should make any corrections between devolved and non-devolved funded cover by journal entry.

Further details can be found in appendix A.

	<u>charge to</u>
▪ All school core vacancy cover	<b>045001</b>
▪ Maternity cover	<b>045001</b>
▪ School Funded Accrued Maternity Leave	<b>045001</b>

▪ All centrally funded sickness absence cover	<b>048401</b>
▪ Other school funded absence cover	<b>048501</b>
▪ Other centrally funded absence cover	<b>048601</b>

*These subjective codes are reflected on the supply teachers claim forms.*

### 2.4.2 Maternity, Adoption and Parental Leave

The council will meet the cost of teachers on maternity, adoption and parental leave until the date that they return to school (subject to the conditions outlined below). Schools will meet the cost of any supply cover brought in during the period of this leave from its devolved budget.

Teacher's annual leave entitlement is 40 days. Teachers' annual salary is calculated over 235 days (195 teaching days and 40 days annual leave) with 26 unpaid "closed" days.

Accrued leave may be taken in two parts, either term time leave or during designated closed days. A maternity calculator is used to determine the total days accrued, the number of days statutory leave to be taken during term time and the balance to be directed to closed days. After consideration of statutory leave requirements, accrued leave in the first instance must be directed to designated closed periods. Teachers taking accrued leave during closed periods will be entitled to a salary payment.

The council will meet the cost of staff undertaking a period of accrued leave where annual leave immediately follows the period of this type of leave. If the school agrees a phased return to work or agrees to term time leave rather than directing leave to be taken during designated closed days, then the school will become responsible for meeting both the cost of the supply teacher and the accrued leave period from its devolved budget. Further details are contained in appendix A.

## 2.5 ADDITIONAL SUPPORT FOR LEARNING NEEDS (TEACHING & NON-TEACHING)

**2.5.1** Schools receive an allocation to support pupils with additional support for learning needs based on roll and SIMD. This allocation is updated every two years.

Schools receive two separate allocations for additional support needs within its devolved budget. The first allocation is for Learning and Teaching and is distributed by way of a teaching allocation to schools; the second allocation is for Physical and Sensory Needs and is usually distributed by way of a Pupil Support Worker allocation.

Schools will also receive a needs-based allocation for pupils with severe to complex needs.

### 2.5.2 Additional Support for Learning Needs – Teacher Allocation

This considers the following factors;

- **Roll** – each school receives an allocation, regardless of deprivation or attainment.
- **SIMD** (Social Indicators of Multiple Deprivation) – each school is allocated a weighting, indexed against the mean rank of the school with the lowest level of deprivation in the authority.

### 2.5.3 Support for Learning - Pupil Support Worker

This considers the following factors;

- **Roll** – each school receives an allocation, regardless of deprivation or attainment.
- **SIMD** (Social Indicators of Multiple Deprivation) – each school is allocated a weighting, indexed against the mean rank of the school with the lowest level of deprivation in the authority.

## 2.6 NON-TEACHING STAFF

### 2.6.1 Non-Teaching Staff Absence Cover

There is no budget allocation made to schools in respect of absence cover for non-teaching staff. Should the school require absence cover they must fund the cost of long-term absence cover and maternity cover for the first 4 weeks irrespective of the commencement date of the cover arrangements. After the first four week period, the authority will contribute 50% of the actual cover cost incurred with the school financing the remaining 50%. The following arrangements are summarised in the table below.

	Sick Admin	Cover	Total
First 4 Wks of Absence	100%	100%	200%
After 4 Wks and until employee goes on Half Pay	100%	50%	150%
Administrative Staff on Half Pay	50%	50%	100%
Administrative Staff on No Pay	0%	100%	100%

### 2.6.1 Non-Teaching Staff Maternity, Adoption and Parental Leave

Where a non-teaching member of staff goes on maternity or parental leave, the school will meet the cost of any cover required from its devolved budget and the associated cost of maternity or parental pay will be met from non-devolved budget within Education. The substantive post should be charged against the school's devolved budget for the full leave period as well as any associated supply cover costs. Costs relating to the cover of accrued leave for members of staff returning from this type of leave will require to be met from the schools devolved budget.

### 2.6.2 Dining Room Supervision

Teaching or non-teaching staff may undertake dining room supervision duties and the relevant budgets are contained within Linear Model allocations.

### 2.6.3 Facilities Management Overtime

Where FM assistants undertake duties outwith their standard working hours following a request from a Head Teacher, these costs must be met by the school from its devolved resources. For example, a FM assistant may facilitate weekend maintenance work which can incur over-time costs. Related expenditure can be identified by codes prefixed **0202XX** on the financial ledger.

## **2.7 OTHER BUDGET ALLOCATIONS, EXPENDITURE AND INCOME**

### **2.7.1 SQA Examination Fees**

The budget allocation is in respect of examination fees paid to the Scottish Qualifications Authority for entry charges to National Qualifications, Higher National Qualifications and Scottish Vocational Qualifications.

### **2.7.2 Text Alert System**

The annual subscription is financed by the council from the non-devolved budget for education, and schools will meet the cost of any usage from their devolved budget:

- Schools will incur a quarterly charge for all their Groupcall SMS costs.
- The appropriate and cost-effective use of Groupcall is within the school's control.
- It is the school's responsibility for collecting and maintaining up to date parent/carer email addresses.
- Schools must consider the length of every Groupcall message, as messages longer than 162 characters attract additional costs.
- It is advisable that Groupcall messaging remains a management or school office (under Head Teacher direction) function only.

### **2.7.3 Property Costs**

The budget for routine repairs and maintenance sits centrally and is not devolved to the school. All routine repairs and/or maintenance must be reported through the WLC Property Helpdesk (for PPP1 and PPP3 school repairs should be reported through the relevant Helpdesk).

Should a school require any building improvements works out with then this must be discussed with the property maintenance inspector or PPP monitoring Officer prior to the submission of a Project Initiation Sheet.

### **2.7.4 Online Payments**

Parent/carers are now able to pay for school meals, trips etc. through the Ipayimpact system and they should be encouraged to do so by schools in order to reduce the risks for pupils and staff in relation to cash handling.

### **2.7.5 VAT Guidance – Education Income**

Guidance on the VAT treatment in relation to education income is provided in Appendix B.

### **2.7.6 Health and Safety Training**

Training budget is provided as required for health and safety requirements such as First/Emergency Aid training.

## SECTION 3: AREAS OF EXPENDITURE TO BE DEVOLVED

### 3.1 Introduction

Whilst headteachers are given maximum flexibility over their budgets, there are areas of expenditure that are generally not considered suitable for devolution. The reasons for this may include, but are not limited to: areas outside the influence of a headteacher, areas that are too bureaucratic, have unacceptable levels of risk, benefit from economies of scale, require professional expertise, are complex by their nature.

### 3.2 Devolved Expenditure

- Staffing Costs (with the exception of this listed in 3.3 Non-Devolved Expenditure and subject to the requirement set out in Paragraph 2.2.1 that all decisions are financially sustainable).
- Training
- Reactive Repairs and Self-Funded Improvements
- Refuse Disposal
- Cleaning Supplies
- Grounds Maintenance
- Vehicle Costs such as employee car allowances, maintenance, fuel and hire
- Equipment and Furniture including Repairs and Hire/Rental
- Nursery School Snacks
- Printing and Stationery
- Education Supplies
- Parent Council
- Purchase of Computer Hardware and Software
- Mobile Phone Charges
- Software Licences

### 3.3 Non-Devolved Expenditure

- Property Maintenance
- Sickness Absence Cover as per the manual
- Supply cover for Parental Leave as per the manual
- Clothing, uniforms and laundry
- Trade Waste Uplift
- Postage

### 3.4 Income

Please note that income from use of school premises is non-devolved and collected centrally.

## SECTION 4: GENERAL INFORMATION ON DEVOLVED SCHOOL MANAGEMENT

### 4.1 Financial Regulations

In order to conduct its business efficiently, the council must have sound financial management policies that are strictly adhered to. The requirement for sound financial management is further reinforced by the Local Government (Scotland) Act 1973 that stipulates that every local authority must make arrangements for the proper administration of its financial affairs.

The council's financial regulations provide the framework for managing the council's financial affairs. They apply to every member and officer of the council and everyone acting on its behalf. Additionally, all members and officers have a general responsibility for ensuring that the use of the council's resources is legal, properly authorised and provides value for money.

For these reasons the council has established financial regulations and supporting procedures such as this DSM Scheme of Delegation. The DSM Scheme of Delegation provides a transparent, fair and equitable distribution of resources to schools.

### 4.2 Best Value Principles

Headteachers should be aware of the council's Best Value Framework, approved at Council Executive on 10 June 2014. The Framework applies to all council services and to general fund and housing revenue and general services and housing capital. There are five key themes in relation to how the council delivers Best Value, these are:

1. Financial Management
2. Challenge and Improvement
3. Performance Management
4. Governance & Accountability
5. Procurement.

The Framework demonstrates how Best Value is achieved via the WLAM process for services, works, goods and materials delivered in-house and how Best Value is achieved via the procurement process for services, works, goods and materials which are put out to tender.

The Best Value Framework applies to all council services in all their operations and activities – it imposes corporate responsibilities.

Further information can be found here:

### 4.3 Local Authority Commitment to Devolved School Management

West Lothian Council is committed to the principles of Devolved School Management, the Headteachers' Charter, and the aims of empowerment of funding.

In an empowered system, headteachers, schools and the Local Authority are partners, each contributing and supporting each other and respecting the different role each plays. The council recognises that value is added by enabling key decisions to be made by those who are closest to the educational experience of children and young people. Decision making about funding that affects the school should sit, therefore, at school level unless there is a compelling reason for this not to be the case (see section 3). The headteacher is accountable and responsible for decisions that should be made in consultation with pupils, parents, staff and the wider community.

The Headteachers' Charter advises that in an empowered system, headteachers should lead learning communities to determine the most appropriate approach in the areas of leading learning and teaching, empowering the learning community and making best use of the school's resources.

In relation to making **best use of the school's resources**, headteachers are required to:

- Manage a delegated budget in a fair, equitable and transparent way, supported by the Local Authority and a fair, transparent and equitable local Devolved School Management Scheme.
- Deploy the school's budget in accordance with best value principles and Local Authority procurement arrangements, with appropriate support and guidance from their Local Authority.
- Play an active role in designing and reviewing recruitment and staffing approaches, both for their own school(s) and for the wider Authority.
- Be empowered to design a staffing structure which best supports the school's curriculum and leadership requirements, working within their delegated staffing budget and supported by their Local Authority and Scottish Negotiating Committee for Teachers (SNCT) / Local Negotiating Committee for Teachers (LNCT) agreements and guidance.
- Be integral to the appointment of staff in accordance with the best interests of children and young people, and work in partnership with the Local Authority to ensure good practice in recruitment and appointments, in line with SNCT/LNCT agreements and guidance.
- Work in partnership with the Local Authority, and within clearly defined roles, responsibilities and accountabilities, to ensure a highly professional school team is built and sustained to meet the needs of the learning community.

The council recognises that in relation to DSM the functions and roles undertaken within an empowered school system are not restricted to headteachers. Although the role of headteacher is identified throughout, shared and distributed leadership means that other staff members or groups may undertake an area or aspect of DSM. An empowered school system means that all teachers are empowered and have meaningful input to decisions about school funding. This manual supports distributed leadership, collaboration and consultation whilst recognising that ultimately the accountability and responsibility will reside with the headteacher as the leader of their school, supported by the Local Authority.

### 4.4 School Expenditure Within Wider Strategic Planning

School Expenditure is considered as part of the Council's wider Financial Strategy. West Lothian Council takes a strategic approach to financial and corporate planning which is consistent with the recommendations of the Accounts Commission, Audit Scotland and CIPFA who all emphasise the need for public bodies to focus on their medium to long term financial sustainability.

A 'golden thread' links school planning to the wider strategic planning of the Council. School priorities are linked to the Council's Raising Attainment Strategy and the National Improvement Framework Plan, which, in turn, reflect the priorities of the Council's Corporate Plan and the

## **DATA LABEL: INTERNAL – COUNCIL WIDE**

Community Planning Partnership's Local Outcome Improvement Plan, as well as the Education Services' Management Plan.

### **4.5 Scottish Negotiating Committee for Teachers and Local Negotiating Committees for Teachers Agreements**

Head Teachers are required to operate within the agreed SNCT terms and conditions for all staff who come under this scheme. The SNCT handbook is available: <http://www.snct.org.uk>.

### **4.6 Publication Availability and Review of the Scheme**

The DSM scheme will be subject to 3-yearly review involving stakeholders and a peer Local Authority if appropriate and will be published following Committee approval of the scheme.

The DSM scheme and summary document will be published on the West Lothian Council website with a link provided on all school websites.

### **4.7 Available Training**

As part of the budgetary control process, an ongoing programme of training is provided by the Financial Management Unit (FMU) for budget holders, Business Support Managers and Resource Officers.

Induction training is provided for all new budget holders. There will be consultation between FMU and services to determine training needs and FMU staff will provide other training and additional support based on an assessment of training requirements. Budget holders identifying training requirements should contact FMU to discuss in the first instance.

### **4.8 Consultation and Engagement**

West Lothian Council adopts a collegiate approach to setting policy and procedures, including the Devolved School Management Scheme. The Devolved School Management Scheme, and the principles which underpin it, have been informed by discussion with Headteachers and the Local Negotiating Committee for Teachers, and the West Lothian Parent Council Forum.

Headteachers will consult with staff, parent councils, pupils and the wider community, including the application of the Devolved School Management Scheme where appropriate, through the established mechanisms for consultation and engagement.

### **4.9 Transparency**

The Devolved School Management Scheme, and the principles which underpin it, have been subject to a process of consultation and engagement. The Scheme has been scrutinised by the Education Policy Development and Scrutiny Panel, and agreed by the Education Executive.

The operation of the Devolved School Management Scheme is subject to regular review, informed by the ongoing dialogue between schools, central education services and the Financial Management Unit on the operation of the Scheme. The operation of the Scheme is scrutinised by the Local Negotiating Committee for Teachers.

The Devolved School Management Scheme is published electronically along with information on individual schools and the policies and procedures they follow.

### **4.10 Local Priorities**

The Local Priorities to be supported and addressed by schools through their application of the Devolved School Management Scheme are set out in:

## **DATA LABEL: INTERNAL – COUNCIL WIDE**

- School Improvement Plans
- The Raising Attainment Strategy
- The National Improvement Framework Plan
- Education Services' Management Plan

## APPENDIX A

### Teachers Absence Cover

#### 1 Definition of Absence

- 1.1 Short term absence is defined as absences up to and including 20 working days. All absence cover during the first 20 working days must be funded by the school from its devolved resources, irrespective of the number of days worked per week.
- 1.2 Long Term absence is defined as absences covering 21 working days or more. In circumstances where a member of teaching staff is absent for more than 20 working days cover will be funded from the centrally funded absence cover budget from day 21, irrespective of the number of days worked per week.

#### 2 Cover Arrangements: Class teacher

- 2.1 During a short-term absence, the school continues to pay for the class teacher and also the cost of the supply cover.
- 2.2 In circumstances where a class teacher is on long term absence and a supply teacher comes in to cover, the supply teacher should be charged to the non-devolved absence cover budget and the teacher off sick should continue to be charged to the schools devolved budget.
- 2.3 There is no facility to bank days where a school cannot obtain appropriate cover.

#### 3. Cover Arrangements: Promoted teacher

- 3.1 During a short-term absence, the school incur the cost of the promoted teacher and also the cost of the supply cover.
- 3.2 In circumstances where a promoted member of staff is off long term sick and a supply teacher comes in to cover, the promoted member of staff should continue to be charged to the schools devolved budget as a permanent member of staff. Supply cover costs should be charged to the non-devolved absence cover budget. This arrangement is in accordance with actual costs incurred.
- 3.3 Where the school makes an acting up appointment, for example a class teacher that acts up to a Principal Teacher and a supply teacher covers the basic teaching post, the acting up allowance and the supply teacher costs should both be charged against non-devolved resources. The absent member of staff should continue to be charged to the school as a permanent member of staff. The additional costs incurred as a result of the acting up appointment and the appropriate cover costs are therefore financed from non-devolved resources.

#### 4. Cover arrangements for long term absences where pay entitlement changes

- 4.1 If an employee is in receipt of half pay or exhausts their entitlement to pay, the recording arrangements differ. A saving is realised in respect of the absent member of staff that requires to be offset against the additional costs incurred.
- 4.2 When the permanent member of staff is in receipt of half pay, the supply teacher should then be charged 50% to the schools devolved budget and 50% to non-devolved resources. Note, the school will always be charged one salary. Any acting up allowance should also be equally split between the school and the centre.
- 4.3 When an individual has exhausted their entitlement to pay, they should be charged against non-devolved resources and be replaced with person on supply cover. The acting up allowance should be charged 100% to the schools devolved budget.

## 5 Cover for Maternity and Parental Leave

- 5.1 Where a teacher goes on maternity or parental leave, the school will meet the cost of any cover required from its devolved budget and the authority will meet the associated cost of maternity or parental pay from non-devolved resources.
- 5.2 The substantive post should be charged against the non-devolved budget for the full leave period and supply cover costs charged to the schools devolved budget.
- 5.3 If the teacher returning from maternity leave uses accrued leave to extend their period of absence then the cost will continue to be funded from non-devolved resources, commencing with the return to pay date and ending on the return to school date for term time days. Any supply cost incurred by the school during the accrued leave period will be funded by the school from its devolved budget.
- 5.4 Cost associated with accrued leave are monitored centrally and once the teacher completes their period of accrued leave the cost of the accrued leave period will be transferred to cost centre 30588. The ABSM is no longer required to process the journal entry to transfer the costs.
- 5.5 Where the school and the teacher agree to a phased return to work using accrued leave or agree term time leave that exceeds the balance of accrued leave available during term time then both the cost of the absent teacher and any supply cost incurred will be borne by the school from its devolved budget.
- 5.6 To determine the split between term time and paid accrued leave please consult the Accrued Leave Calculator issued annually to HT's and ABSM's.

## 6 Keeping in Touch Days

- 6.1 All costs incurred as a result of any agreed 'Keeping in Touch Days' are charged to the schools devolved budget.

## 7 Supernumerary Staff & Exceptional Circumstances

- 7.1 These exceptional posts do not form part of a school's basic teaching compliment. It is therefore at a school's discretion as to whether they wish to provide absence cover and they are responsible for meeting supply cover costs.
- 7.2 The exception above would be where the promoted element in a post is supernumerary. In terms of absence cover, the basic teaching element would be financed in accordance with the arrangements outlined for a class teacher.
- 7.3 Exceptional circumstances – such as suspensions – would require to be separately agreed by the Head of Service on an individual basis.
