

Your Guide to Taking Part in Tenant Participation

Any tenants can take part, either as individuals or through a tenant or resident group.

West Lothian Council recognised that people may want to take part in a way that suits them, so the following activities provide a range of opportunities for all. We will continue to look at new ways and methods of encouraging people to take part.

How to Take Part

Events

Various events may be held throughout the year for tenants to learn about changes or improvements to services, such as rent levels, repairs or any other housing or environmental issue. These events are usually publicised in Tenants News, Tenant Facebook Group, local council offices and the council website.

Surveys and Questionnaires

Throughout the year surveys and questionnaires are sent out directly to tenants. This allows you to give your views and opinions on the services that you receive from the comfort of your own home. Surveys can range from the annual tenant satisfaction survey to surveys relating to repairs. Our surveys are managed by the Customer Experience team and can usually be completed online, by telephone or by post upon request.

The results of these surveys are fed into the tenants panel.

Interested Tenants

An interested tenant is a West Lothian Council tenant who has told us they would like to be consulted on important issues, such as repairs, antisocial behaviour or allocation of council houses. The council will contact interested tenants from time to time to allow them to attend and participate in different events related to their area of interest. As an interested tenant, you can use your experience and knowledge to improve the service you receive in a way that suits you.

If you would like to become an interested tenant please contact our Customer Participation Officer by emailing TP@westlothian.gov.uk or calling 01506 281885/282967.

Facebook Group

There is a dedicated Tenant Participation Facebook group only for council tenants. If you want to find us on Facebook, search for West Lothian Council Tenant Participation. Then, just click 'join group', please making sure you provide us your address so we can verify you are a tenant. Alternatively, please scan the QR code below to take you straight to our Facebook page.

Tenant Initiatives

Community Choices Projects

This initiative allows tenants to apply for a project to improve the environment in their local area. The application must meet the criteria set. Successful applications will be shown in the Tenants News, Tenants Facebook and on the Council website.

The Danny Mullen – Good Neighbour Awards

This initiative is to award those people living in West Lothian who deserve to be recognised for their thoughtfulness and consideration to their neighbours. The award is held annually, and applications can be requested by contacting the Customer Participation Officers or it can be completed online through our Facebook page.

Our Tenant Meeting/Group Standards

Our Responsibilities

We all have a responsibility to ensure meetings run smoothly and on time.

Customer Participation Officer Responsibilities
