

Almondell Path & Woodland Works

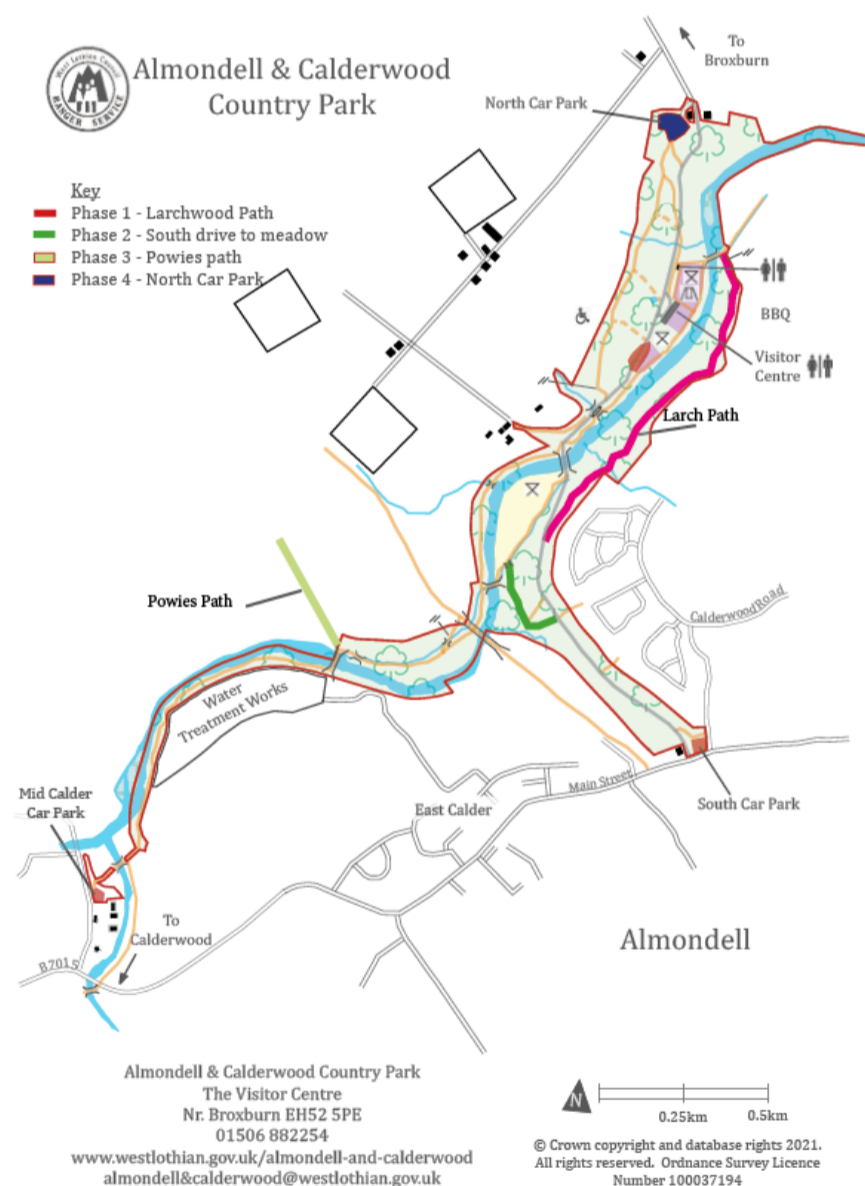

Work is re-commencing for the final phase of the Woods In and Around Town (WIAT) project and will continue until Christmas.

This includes:-

- Path surface on ramped paths – Larch Wood and to Meadow
- Handrails on steeper sections of the paths
- Steps up to Powies Path from Piped Bridge
- North Car Park
- Removal of remaining dying ash trees – next to electricity cables
- Further cutting back and treatment of rhododendron
- Final areas of tree planting / replacements

Various sections of internal paths will be closed for a few days at a time.

For the longer link paths to Mid Calder and Lin's Mill the banksmen will let you through.

We apologise for any inconvenience
