

Hello!

Please watch the YouTube video below to learn more about Customer Experience within Housing, Customer and Building Services

Your Home

We are writing to let you know that our friendly team will be in touch over the next couple of weeks to have a telephone conversation with you about the topic 'Your Home'.

We'd like to understand your opinions on the standard of your home as well as any garden space you may have. We would also like to get your feedback on any communal areas associated with your property.

What to expect

On the day of the call

We will phone you and have a chat about your experiences. Why not grab a tea or coffee and get comfortable.

What will happen after our conversation?

We will use your feedback and ideas to implement change and improvements.

We will keep you updated on our progress through Tenants News and social media.

We very much
look forward to
speaking with you

In the meantime if you have any queries, please feel free to contact the team:
