Subject: DEVELOPMENT RISK TO FARM FIELD

To: wllp@westlothian.gov.uk

I would like to draw your attention to the above development risk to farm field alongside Deanburn Road, Linlithgow. It has come to my attention that this land in question has been designated as an 'Area of Great Landscape Value (AGLV) within the West Lothian Local Plan and therefore meaning that this land should not be built on. I therefore cannot understand why there is talk of possible plans of building homes on this land in question.

I would be very grateful if you could reply to this email with an update on this situation.

Many thanks.
