

Guidance Notes

Please be aware that staff from Housing, Customer, and Building Services will be unable to furnish you with precise dates. They will only be able to inform you of the year when the work is scheduled for review.

- 1 Click the link to access the HCBS Postcode Lookup
- 2 The postcode lookup will appear, along with important information about the lookup functionality.

[Search For Your Address - West Lothian Council](#)

- 3 Type in the postcode in the box highlighted. To note, the lookup will only return West Lothian Council properties.

Please enter your postcode below to check the property service details

Postcode

Address

Use our postcode lookup facility to check when your home is scheduled for review of the main elements of your home.

You can use this service to search for the proposed review year for major elements of your home.

Please note:
Although a review will be carried out in the programmed year, the installation may be carried out in the following year, depending on the lead-in time for the element being replaced.

The review date can be subject to change should we experience any delays or conflicting priorities.
