ONLINE FEEDBACK PROVIDED	Date received: 25 <sup>th</sup> October 2024			
	Total cost of work: £29,400			
	<p>Description of work: Garage conversion into an additional reception room. This included the removal of downstairs cloakroom from hallway, replaced with wet room in converted garage space as well as living space. Installing new radiators and window. Also, the moving of electrical meter and fuse box.</p> <p>Comments: Great communication throughout, particularly prior to job starting. Talked us through our options regarding fittings and flooring for wet room, giving general advice and listening to our concerns/ideas. Were on time and worked all day, often staying later to complete tasks. Lovely guys who made minimal mess and cleaned up after themselves every evening. Very pleased with results - all work completed to a high standard. Would definitely recommend to anyone looking to have building work done.</p>

	<p>Description of work: Lift flooring in four rooms; lay new floor in one room, fix issue with floor on landing &amp; bedroom; replace 6 radiators, remove &amp; reposition another. Replace extractor fan &amp; block external hole; change internal lights &amp; install external lights; fit LVT &amp; shower &amp; change taps &amp; drain in bathroom; fit LVT in toilet; fit LVT &amp; shower in en-suite; repair long term issue with en-suite shower unit; fixing worse than expected water damage found when removing shower tray &amp; unit walls.</p> <p>Comments: Morgan &amp; Derek were excellent, very professional &amp; polite, arrive on time for both spec visits &amp; each work day. Kept me up to date at each stage. Nothing phased them; when the unexpected arose, they explained the problem &amp; solutions before doing any extra work (particularly the issues with water damaged woodwork in en-suite). All work completed to a very high standard &amp; to schedule. House was left clean &amp; tidy each day. Would definitely use again &amp; would recommend to others.</p>

	<p>Description of work: Cracked shower tray. Morgan had to remove existing enclosure, old shower tray and bottom row of tiles to investigate the problem. Then replace everything like for like .</p> <p>Comments: When our shower tray cracked we had no idea where to start. A neighbour recommended Morgan and he was brilliant. Having worked with a lot of tradespeople over the years Morgan was a cut above the rest. Responsive and clear throughout, leaving everything clean and tidy and with great attention to detail. Would highly recommend him and his team.</p>

ONLINE FEEDBACK PROVIDED	<p>Date received: 19<sup>th</sup> September 2023</p> <p>Total cost of work: £7527</p> <p>Description of work: DJMS renovated the bathroom in my house. They took out and disposed of the old hardware, tiling, flooring etc. They sanded the ceiling and walls, filling in where appropriate. They installed new flooring, waterproof panels and bathroom suite. They removed and disposed of the radiator, replacing it with a heated towel rail. At the end of the work they also put up my new bathroom cabinet, mirror, blinds and accessories.</p> <p>Comments: DJMS responded promptly to any queries I had throughout the process. They did a good job for a fair price. They were really helpful with the planning stage - I gave them a broad outline of what I wanted and they did the rest, including providing different options for me to pick from. They handled all the acquisition of parts and supplies, including storing them ahead of installation.</p>
