Early learning & childcare (3 and 4 year olds) provision – Transport

Transport to early learning & childcare establishments is not provided, with the exception of a limited escorted service provided from Breich to Parkhead Primary School Nursery Class for the afternoon session only, and from Torphichen to Westfield Primary School Nursery Class for the afternoon session only.

Early learning & childcare (3 and 4 year olds) provision – Flexibility & Choice

Early learning & childcare (3/ 4 year olds) provision is provided within establishments that are either nursery schools, early years centres or in a class within a primary school. The type of establishment is reflected after the establishment name with the initials NS, EYC or PS respectively, or if NC after the name then the building name will follow in (). The initials RC indicate that the Primary School is denominational (Roman Catholic), however all early learning & childcare provision is non-denominational even if housed in a denominational building.

From August 2014 early learning & childcare provision was increased from 475 hours to 600 hours and from August 2015 West Lothian Council have provided these hours in two Frameworks. The first framework is called '5 morning/ 4 afternoon' provision and the second framework is called '2 full day' provision.

5 morning/ 4 afternoon provision (is available at all establishments) – a child will be allocated either 5 morning sessions (Monday to Friday) or 4 afternoon sessions (Monday to Thursday).

2 Full Day provision (is only available at 9 establishments from August 2016) – a child will be allocated 2 sessions from 08:00-16:00 on 2 days between Monday to Thursday.

All times provided for both 5 morning/4 afternoon provision and 2 full day provision at each establishment in this pack equates to providing 600 hours of provision. The increase of hours may be optional for 5 morning/4 afternoon provision, if due to the drop off/pick up of siblings elsewhere, the times at the establishment are unsuitable then you can drop off/pick up at core times. Core start times for a morning session are 2hrs 30mins before the establishments morning session finish time. Core end times for an afternoon session are 3hrs 07mins after the establishments afternoon session start time. A child allocated a place within an early learning & childcare establishment should attend the allocated establishment's core times or the place may be withdrawn. If you do wish your child to attend for less than the 600 hours, please discuss this with the head Teacher.

The wraparound care column shows the opening times of wraparound centres at each establishment, and the provision named above the opening times indicates which early learning & childcare provision framework this wraparound care can be used in conjunction with.

Wraparound Care Service - Terms and Conditions - Session 2016/17

Amendment starting from 04 January 2017

In order to provide the best possible childcare West Lothian Council seeks to work in partnership with parents. To comply with legislation and provide efficient levels of care, the following terms and conditions apply to the wraparound care service.

Admissions

- The level of demand for places at each centre will be assessed each year in determining the scale and extent of the wraparound service that will be provided. This is necessary to ensure a financially sustainable service.
- A new application must be submitted every year to pupil placement.
- Places will be granted in accordance with our admission guidelines and procedures.
- Attendance one year does not give your child priority for a place the next year.
- Once your application has been granted, you will then be issued with a contract. If you wish to accept the place allocated, then you should sign the contract and return it to the Pupil Placement Section as soon as possible. Please note, if we do not receive your signed contract within 2 weeks of issue, your child's place may be withdrawn.
- All written communication will be acknowledged within 10 working days by the Pupil Placement Section.
- Your child cannot use wraparound care until the Pupil Placement Section has received your signed contract.
- Requests to cancel or change registered sessions must be made in writing/e-mail to Pupil Placement and 4 weeks' notice will begin from the date pupil placement receive the request.
- We cannot guarantee that any applications/requests to change your registered sessions will be granted.
- If you have cancelled your child's place, you must fill in a new application form if you require to use the wraparound care service again.

Payment of fees

- An annual administration fee is charged per child with the first invoice each school year and is non-refundable.
- The session fee and administration fee are reviewed at least annually.
- We will give at least one month's notice of changes to charges. Please see the attached information sheet for the current charges.
- We charge per session for wraparound care. Bills are calculated based on the number of sessions you use, even if you use less than the full session. A minimum charge of £20 per month will be applied. Please see the enclosed information sheet for current charges.
- Your contract will give details of the sessions you have been granted and these are the sessions you will be billed for. You will be charged monthly **in advance** for these sessions.
- No refunds will be given for non-attendance (either through sickness or holidays).
- Charges will be calculated from the start date on your contract.
- Invoices must be paid within 14 days. **Failure to pay will result in withdrawal of childcare place.**
- If your account is in arrears you will not be eligible to obtain additional sessions.
- Acceptable methods of payment include direct debit, online, by telephone, cheque and childcare vouchers.
- Cancellation or changes to registered sessions must be made in writing/e-mail to Pupil Placement and 4 weeks' notice will be calculated from the date pupil placement receive the request. (Payment in lieu of notice is acceptable).
- If a change to registered sessions is granted after the invoice has been issued, then an adjustment will be made to the following month's invoice.
- If there are vacancies parents may be able to arrange additional sessions on a flexible basis.
- Any additional sessions used will be added to the next invoice.
- The person who signs the contract is the person who is responsible for ensuring invoices are paid, even if the bills are usually paid by a third party (e.g. a college or relative).

Holidays

- Wraparound care is **not available** at all establishments during school holidays (term time holidays and Summer holidays) but will be available at specific establishments (depending on demand), which will be notified 4 weeks in advance.
- No wraparound provision is available (as all wraparound care centres are closed) on the following public holidays Good Friday/Easter Monday, May Day and during the school Christmas Holidays. You will not be charged for these days.
- You must advise the Wraparound Care Team Leader (at the centre you wish to use during the term time holiday) that you wish to use wraparound care and they will inform you if they have availability.
- **Summer holiday** applications are available from the Team Leader (at the centre you wish to use during the Summer holidays) and must be completed and returned back to the Team Leader by 30th April each year. This will enable us to ascertain the level of demand for the service and staffing levels for this period.
- Any sessions used during holiday periods (term time holidays and Summer holidays) will be billed as additional sessions in the following month.

Absence

- You must inform the Wraparound Care staff of a child's absence due to sickness or if you decide not to use your child's place for any reason.
- If your child is absent or is sent home due to sickness or other reasons beyond the control of the wraparound care establishment, (e.g. due to bad weather etc), no refund will be given.
- If the wraparound care establishment is suspended as a result of adverse weather, no charge will be made to customers where the closure is more than 3 days.

Collection of children

- In order for staff to child ratios to be maintained, children must be dropped off and collected at the agreed times.
- If you think you are going to be unavoidably delayed you should contact the Wraparound Care Team Leader immediately.
- If by closing time a child is still waiting for a parent who has not phoned, the Team Leader will make every effort to contact the parent or emergency contact person. Thereafter, the Team Leader will contact Social Work Services, who will arrange for emergency care.
- If you are late in picking up your child, you will be charged a late fee.
- Children must be collected by a parent or another nominated responsible adult.
- Parents must tell the Wraparound Care staff who will be picking up the child on any given day.

Modification of Terms & Conditions

West Lothian Council reserves the sole right to amend its Terms & Conditions at any time, to comply with revised fiscal, legislative or operating requirements. Such changes will be notified in writing to parents, and will supersede all preceding Terms & Conditions West Lothian Council has issued.
