

The Management Committee

Uphall Community Education Centre opened its doors in December 1999 and was established as a multipurpose venue to provide a focus for the community and to offer a range of services, facilities and activities.

The Management Committee comprises of representatives of user groups and interested individuals who are supported by West Lothian Council staff.

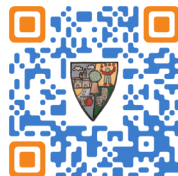

They meet monthly and discuss all aspects of the management of the centre and the needs of the community. The Management Committee must take account of West Lothian Council Policies.

The Management Committee is elected annually.
