

5 Reasons you should use the Borrowbox App

1 Easy to use

Scan the QR code to our webpage and follow the links to register or log in. To log in, simply enter your long membership number then your four digit pin number and start browsing!

*The app is available to download from your app store.

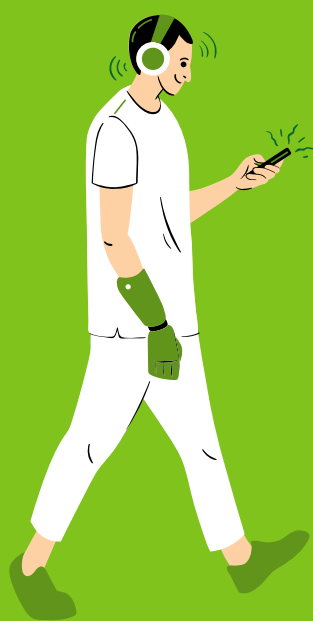

2 It's Free!

The app costs £0 to download and start using. To get access you have to be a member of any West Lothian Library and it is available for download on a range of smart devices.

3 More Exclusive Content

The app is full of a variety of E-Books, Audiobooks and even includes digital Magazines! We add to our stock every month so there is something for everyone!

4 Carry with you on the go

You can take the app anywhere with you, just download onto a smart device of your choice and go. It's great for travelling or if you need to go "hands free!"

5 Available 24/7

Access the app, anytime, any day, any place! So even when the library is shut, you're still in control of your own account and can access your loans whenever you like.

Pretty cool right?
