

Almost  
3.5m

people in the UK are living with cancer

This is the equivalent to filling Wembley Stadium almost 38 times

#### **World Cancer Day 4 February 2026**

The primary goals of World Cancer Day are to raise awareness about cancer, dispel myths and misconceptions, encourage early detection, and advocate for improved cancer care. It also serves as a platform for honouring the courage and resilience of cancer patients and survivors worldwide.
