<b>Armadale and Blackridge</b>	<b>7</b>

## INTRODUCTION

.....

This directory highlights the retailers, cafes and restaurants that sell Fairtrade products. It has been brought together through the work of the existing town and village groups and a survey of other towns and villages carried out by West Lothian Council.

To be recognised the Fairtrade Foundation require retailers to stock a minimum of four Fairtrade items and café & restaurants two to be regarded as Fairtrade (it must be different products, for example one or four different chocolate bars can only be counted as one product). As such we have used these criteria for the purposes of the list below.

However, it was noticeable that with the success of Fairtrade in getting some key supplies of chocolate and sugar, many, if not all, other retailers across West Lothian stocked at least two or three Fairtrade products.

Whilst every effort has been made to ensure the details are correct we would welcome any additions and updates. If you are a retailer and stock four or more Fairtrade products or a cafe/restaurant that offers two or more and would like to be listed in this directory **please contact Douglas Grierson**, West Lothian Council
